

BOLD Professional Development Series

September 2017

Theme: Monitoring BOLD engagement

- Is the learning journey you designed achieving the learning outcomes you set out to achieve?
- Are you monitoring what your students are engaging with and when?
- Do you know how to ensure your students stay on track (or get back on track)?
- Are your students receiving all the supports available to maximise success?

Consider the following suite of professional development opportunities to monitor your teaching practices throughout Semester 2, 2017.

SHORT COURSE—ONLINE & FACILITATED

Short Course 5 – Monitoring BOLD Engagement

Explore ways to monitor what your students are engaging with and when, to determine if the learning journey you designed is achieving the learning outcomes you set out to achieve. Consider strategies to ensure your students are staying on track (or getting back on track) and embedding the supports available to maximise student success.

- **Commencing:** Monday 04 September 2017
- **Completion:** Friday 29 September 2017
- **Time Allocation:** 2.5 hours per week
