Our Institution - Federation University Australia

Welcome to Federation University Australia's start page on Research Professional. Key features include:

- An intuitive interface to make browsing for funding as simple as checking your email.
- Shared resources, allowing you to benefit from saved searches and folders of bookmarked items created for you by your administrators.
- Powerful search tools to help you find exactly the funding opportunities that interest you.

To help you get started on the site, you might want to take a look at the available help resources. These include:

- You Tube Channel, A set of 2-3 minute videos online, designed to take a user through all the key features of Research Professional.
- To access the videos, please use the following link:
<http://www.youtube.com/researchprofessional>
- Quick Start Guide: a downloadable PDF guide that will walk you through your first steps with the new site.
- User Guide: a comprehensive resource for all aspects of the new site.

Opportunity profile: Getting started with a Newlife grant

The Newlife Foundation for Disabled Children's start-up grants offer £15,000 for researchers to gather preliminary data for projects on birth defects and childhood-onset conditions. Michael Patton, the charity's medical director, gave James Brooks the lowdown.

Expressions of Interest
