Applications close:
**5.00 pm - Friday
25 November 2016**

Scholarships Available

The Faculty of Science and Technology support their students with a range of scholarships valued up to $12,000 for students undertaking the following programs. All students who meet eligibility requirements are strongly encouraged to apply.

Sciences

- Bachelor of Biomedical Science
- Bachelor of Biotechnology
- Bachelor of Environmental and Conservation Science
- Bachelor of Geoscience
- Bachelor of Food and Nutritional Science
- Bachelor of Mathematical Science
- Bachelor of Science
- Bachelor of Veterinary and Wildlife Science

Engineering

- Bachelor of Engineering (Civil) (Honours)
- Bachelor of Engineering (Mechanical) (Honours)
- Bachelor of Engineering(Mining) (Honours)
- Bachelor of Engineering Technology (Civil)
- Bachelor of Engineering Technology (Mechanical)
- Bachelor of Engineering Technology (Mining)
- Bachelor of Mechatronic Systems Engineering (Honours)

Information Technology

- Bachelor Information Technology [BIT]
- BIT (Big Data & Analytics)
- BIT (Business Information Systems)
- BIT (Cloud & Enterprise Computing)
- BIT (Games Development)
- BIT (Mobile App Development)
- BIT (Networking & Security)
- BIT (Software Development)
- Bachelor of Technology

Honours Programs

- Bachelor of Science (Honours)
- Bachelor of Computing (Honours)
- Bachelor of Mathematical Sciences (Honours)

Application submission

Completed applications must be submitted to:

IBM® Earn as you Learn Scholarships – from a minimum of $35,500
(a combination of scholarship funds and paid employment)

All students accepted into the Bachelor of Information Technology (Professional Practice) are automatically awarded this scholarship (**separate application for this scholarship is not required**). Students will receive approximately $35,500 in scholarships and salary as part of the program. **Scholarship Value:** The Scholarship value is a minimum of $35,500.

Recipients will be paid approximately $8,000 in scholarship funds in each of their second and third years of study. Remaining funds will be received in the form of paid employment that is part of the program's study requirements.

Students applying for the following scholarships must complete the attached application form.

Women in Information Technology / Women in Engineering Scholarships - $12,000

These scholarships (**two available**) are awarded to women entering undergraduate Information Technology or Engineering programs with the highest ATAR score above 80. The Scholarship value is a maximum of $12,000*.

Engineering Scholarship - $12,000

This scholarship is awarded to men or women entering undergraduate Engineering programs with the highest ATAR score above 80. The Scholarship value is a maximum of $12,000*.

Mathematical Sciences Scholarship - $12,000

This scholarship is awarded to men or women entering undergraduate Mathematics programs with the highest ATAR score above 80. The Scholarship value is a maximum of $12,000*.

Information Technology Scholarship - $12,000

This scholarship is awarded to men or women entering undergraduate Information Technology programs with the highest ATAR score above 80. The Scholarship value is a maximum of $12,000*.

Indigenous Student Scholarship** - $12,000

This scholarship is awarded to an applicant of indigenous descent** entering an undergraduate degree program in the Faculty of Science and Technology with the highest ATAR score above 80. The Scholarship value is a maximum of $12,000*.

**A student will be considered to be an *Indigenous* person for the purpose of the *Faculty of Science and Technology Scholarship* where the person (a) is of Australian Aboriginal or Torres Strait Islander descent; *and* (b) identifies as an Australian Aboriginal or Torres Strait Islander; *and* (c) is accepted as an Australian Aboriginal or Torres Strait Islander in the community in which he/she lives or has lived.

Faculty of Science and Technology Scholarships - $3,000

These scholarships **(up to six available)** will be awarded to the applicant with the highest ATAR above 60 in each of the eligible Faculty of Science and Technology undergraduate programs (excluding Honours), who did not receive a Faculty of Science and Technology scholarship of a higher value. The Scholarship value is a maximum of $3,000*.

* Scholarships are paid pro rata, per semester, after the HECS-Help census date.

Equity Scholarships

These scholarships will be awarded to applicants entering an undergraduate degree program (including Honours programs), in the Faculty of Science & Technology, who did not receive a Faculty of Science & Technology scholarship of a higher value. Applications will be assessed on a case-by-case basis and awarded on the applicant's demonstrated financial need. The Scholarship value may vary according to individual case, with payment made after the HECS-Help Census date.

Students applying for an Equity scholarship must provide a brief case (no more than 500 words) to demonstrate their financial need.

Honours Scholarships - $2,000

These scholarships will be awarded to applicants entering the Bachelor of Mathematical Sciences (Honours), Bachelor of Science (Honours) or the Bachelor of Computing (Honours). Applications will be assessed on a case by case basis according to a combination of the applicant's academic performance within their undergraduate degree, demonstrated financial need and/or the physical resources required to undertake their Honours project.

Disclaimer: The University reserves the right not to offer all the scholarships available.

Undergraduate Scholarships
Application Form

Selection Criteria

Scholarship recipients will be determined by the Faculty of Science and Technology using a combination of student ATAR scores and supplementary supporting information as identified in this Application Form.

Eligibility requirements

Applications must be lodged by 5.00pm on Friday 25 November 2016.

To be eligible for a Faculty of Science and Technology scholarship you must be:

- An Australian citizen; *or* a New Zealand citizen; *or* an Australian permanent resident
- Applying for a place in the Faculty of Science and Technology bachelor degree to commence study in 2017.

Declaration of eligibility

To be eligible for a Faculty of Science and Technology Scholarship you must satisfy the following criteria (please tick one box):

☐ I am an Australian Citizen **OR** ☐ I am an Australian Permanent Resident **OR** ☐ I am a New Zealand Resident who is studying year 12 in Australia

I wish to be considered for the following Scholarship/s (please tick whichever apply):

☐ **$12,000 Engineering**
For highest ATAR above 80

☐ **$12,000 Information Technology**
For highest ATAR above 80

☐ **$12,000 Mathematical Sciences**
For highest ATAR above 80

☐ **$12,000 Women in IT/Engineering**
 For female applicants with highest ATAR above 80

☐ **$12,000 Indigenous Student***
For indigenous applicants with highest ATAR above 80

☐ **$3,000 FoST Scholarship**
For highest ATAR above 60 in each of the FoST undergraduate programs (excluding Honours)

☐ **$2,000 Honours Scholarship**
Applications assessed on a case by case basis

☐ **Equity Scholarship***
Awarded on case by case basis and demonstrated financial need

* Applicants for the Equity or Indigenous Students must supply evidence of eligibility with their application as per below.

Indigenous students:

☐ Statutory Declaration

Equity students:

☐ Students applying for an Equity scholarship must provide a brief case (no more than 500 words) to demonstrate their financial need.

Further Information

Please indicate below the Federation University programs you have listed on your VTAC or Direct Application:

- ☐ Bachelor of Biomedical Science
- ☐ Bachelor of Biotechnology
- ☐ Bachelor of Environmental & Conservation Science
- ☐ Bachelor of Geoscience
- ☐ Bachelor of Food & Nutritional Science
- ☐ Bachelor of Mathematical Science
- ☐ Bachelor of Science

- ☐ Bachelor of Veterinary & Wildlife Science
- ☐ Bachelor of Engineering (Honours) (all specialisations)
- ☐ Bachelor of Engineering Technology (all specialisations)
- ☐ Bachelor of Mechatronic Systems Engineering (Honours)
- ☐ Bachelor of Information Technology (all specialisations)
- ☐ Bachelor of Technology
- ☐ Honours program: *(Please specify)* _____

How did you find out about the Federation University scholarships?
