

Moodle Filters

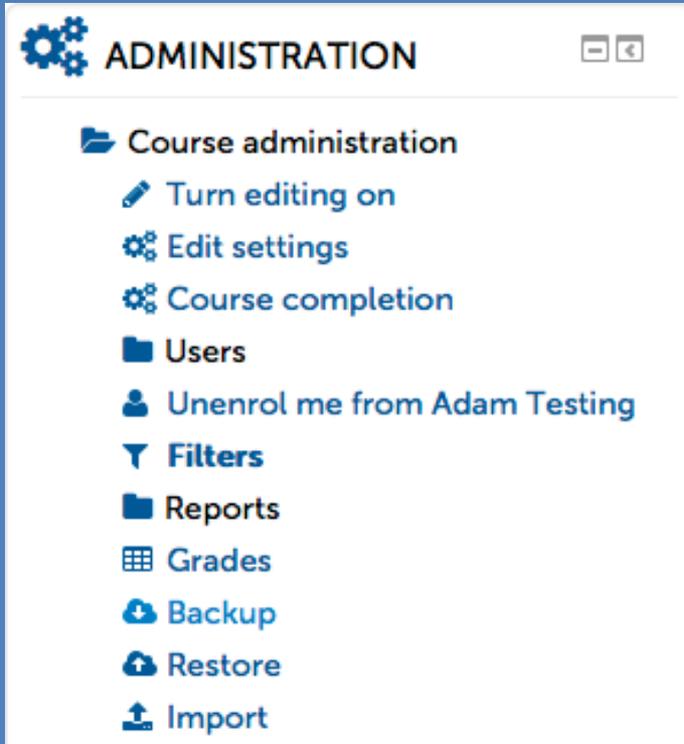

It does the hard work for you

Filters can be activated and deactivated to give maximum control

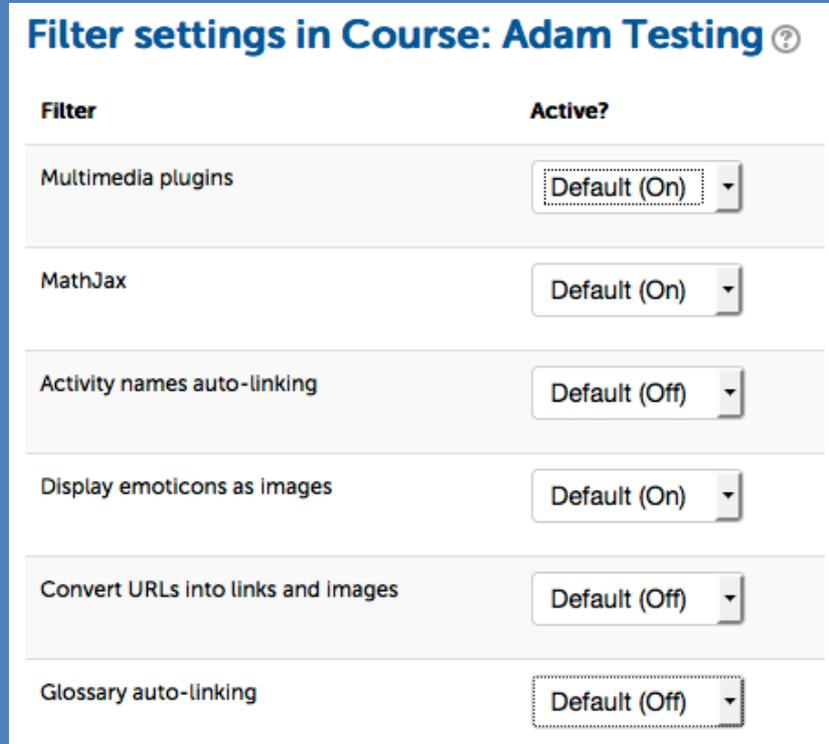

- **Multimedia**
- **Maths**
- **Activity name auto-linking**
- **Emoticons**
- **URLs to links and images**
- **Glossary auto - linking**

Where to find them

The screenshot shows the Moodle Administration interface. At the top left is a gear icon followed by the word "ADMINISTRATION". To the right are window control icons. Below this is a list of administrative options, each with a small icon:

- Course administration
 - Turn editing on
 - Edit settings
 - Course completion
- Users
- Unenrol me from Adam Testing
- Filters
- Reports
- Grades
- Backup
- Restore
- Import

The screenshot shows the "Filter settings in Course: Adam Testing" page. It features a table with two columns: "Filter" and "Active?". Each row represents a different filter setting with a dropdown menu to its right.
