2012 Guidelines about Tuition Fee Youth Concessions

Purpose

The purpose of these guidelines is to set concessions on tuition fees for young people in government-funded training and further education at Victorian TAFE institutions during 2012.

These guidelines operate in addition to the 2012 Guidelines about Fees, but the 2012 Guidelines about Fees are modified to the extent necessary to give affect to these guidelines.

SECTION 1
1. Youth concession for 2012

1.1. For enrolments to which this clause applies, providers must not charge a tuition fee that is more than $100.

1.2. This clause applies to enrolments where the enrolment is for:

(a) A government-funded training or further education course; and

(b) A course that begins in the 2012 calendar year or that began in a previous calendar year and continues during the 2012 calendar year;

(c) A Diploma or Advanced Diploma course; and

(d) A person who is under the age of 25 as at 1 January 2012; and

(e) A person, or the dependant spouse or dependant child of a person, who holds –

i. a Commonwealth Health Care Card;

ii. Pensioner Concession Card; or

iii. Veteran’s Gold Card; or

iv. an alternative card or concession eligibility criterion approved by the Minister for the purposes of these guidelines.

1.3. If a person who was previously eligible for a concession under this clause becomes ineligible for the concession before the completion of the hours for which they have paid tuition fees, this does not affect their eligibility for the concession in respect of that enrolment.
1.4. For enrolments under Section 3 of the 2012 Guidelines about Fees only, if a person who was previously not eligible for a concession under this clause becomes eligible and then enrols in further training within a calendar year, the person will not be liable for any further tuition fees for that calendar year for a course in the same category.

1.5. The concessions under this clause do not apply if a person’s tuition fee is being fully paid by a Commonwealth Government Agency or as part of a Commonwealth program or initiative.

1.6. This clause is in addition to, and does not take away from, any concessions that may apply under Section 4 of the 2012 Guidelines about Fees.

1.7. These guidelines supersede the special tuition fee arrangements under the Indigenous Completions Initiative clause.

1.8. A provider must provide details of enrolments and concessions under these guidelines as required by the Deputy Secretary, Skills Victoria, for the purposes of monitoring and reviewing the concession scheme established by these guidelines.
