 - iv) evidence that the Training Provider has received any and all fees from Eligible Individuals that the Training Provider reported via the SVTS as having charged, and copies of any invoices, or statements provided to the Eligible Individuals, and bank generated transaction statements of the Training Provider's accounts into which the fees were paid or received, such that the Department can confirm that the Training Provider received the fee for which each Eligible Individual was invoiced,

in respect of each Eligible Individual in relation to whom the Training Provider provides the Training Services;
- f) comply with all Laws and standards applicable to the Training Provider relating to recordkeeping, including the recordkeeping requirements outlined in the Regulatory Standards, PDP Act, and the *Electronic Transactions (Victoria) Act 2000* (Vic);
- g) keep accounting Records in relation to the Funds provided by the Department under this VET Funding Contract in such a manner as to enable them to be audited by the Auditor-General of Victoria or any other entity as directed by the Department; and

- h) not make or amend Records such that they are not accurate. Where the Training Provider identifies, through its continuous improvement processes or otherwise, the need to amend a Record, the Training Provider must take steps to document the amendment(s) such that a reasonable person could ascertain the nature of and rationale for the amendment(s) in a straightforward way.
- 10.10 If the Training Provider is required or requested for the purpose of either this Clause 10 or Clause 11 to make available or provide any information, Record or other document, and the Training Provider fails to do so within a reasonable time, or where relevant, by the specified time, then the information, Record or document will be deemed not to exist, and for the purpose of this VET Funding Contract any activity that that information, Record or document would have evidenced will be deemed not to have occurred or been carried out, and the Department may exercise all rights available to it on that basis.
- 10.11 Without limiting any other requirements under this VET Funding Contract, the Training Provider must ensure that its systems, processes and practices for the generation, creation, collation, amendment, retention and storage of Records, including metadata associated with any electronic Records, are adequate to demonstrate to a reasonable standard that each of the Records (including any Records made available to or accessed by the Department, or its authorised representatives or any other person entitled to such access pursuant to this VET Funding Contract) is complete, accurate and authentic and has not been amended except in accordance with Clause 10.9(h).

Electronic records and signatures

- 10.12 Subject to any obligations to the contrary that the Training Provider may have under any applicable Law, any Records may be created and maintained in an electronic form for the purposes of this VET Funding Contract, provided that (without limiting the Training Provider's obligations under this VET Funding Contract, including under Clause 10.11):
- a) the Training Provider can demonstrate with supporting documentation that the Records are held in a secure environment, safe from unauthorised access, loss or damage; and
- b) the Training Provider can demonstrate with supporting documentation that appropriate authorisations to access and amend the Records have been applied.
- 10.13 Subject to Clause 10.15, where this VET Funding Contract or any other document with which the Training Provider is required to comply under Clause 4.3 requires the Training Provider to procure and to keep a document signed by any person (whether the Training Provider itself, a person employed or engaged by the Training Provider or a third party), that document may be signed by way of an electronic action equivalent to a signature.
- 10.14 For the purposes of Clause 10.13, an electronic action by a person will be considered to be equivalent to a signature where the action identifies that person and indicates the person's agreement to the relevant information, and is as reliable as appropriate in the light of all the circumstances (including so that the Department can rely on the action as demonstrating the person's agreement to the relevant matters in the event of any audit pursuant to this VET Funding Contract).

10.15 Clause 10.13 does not:

- a) apply to any signature of the Training Provider itself, any person signing a document on behalf of the Training Provider, or a representative of the Training Provider on the Peer Review Panel, where that signature:
- i) binds that person to a contract with the Department or an amendment to such a contract; or

ii) is on a Notice,

including for the purposes of execution of an acceptance form by the Training Provider binding the Training Provider to the terms of this VET Funding Contract; or;

- b) limit any obligations of the Training Provider as to the obtaining and keeping of signatures, including obligations in the Regulatory Standards, as applicable, and obligations under any other applicable Law.

- 11.3 If an audit, review or investigation conducted by, or on behalf of, the Department concludes that there has been non-compliance by the Training Provider with this VET Funding Contract, the Department may:
- a) exercise any of its rights under Clauses 17 or 18; and/or
 - b) require the Training Provider to:
 - i) provide a written response to the Department on any matter relating to the audit, review or investigation in accordance with the Department's requirements;

 - iii) within six months of an auditor notifying the Training Provider in writing of its recommendations or such other timeframe specified in writing by the Department:
 - A. advise the Department in writing of the steps taken by the Training Provider to comply with and implement the auditor's recommendations, the management action plan and this VET Funding Contract, after receiving notification of the audit findings; and
 - B. provide any documentation required by the Department evidencing compliance with, and implementation of, the auditor's recommendations, the management action plan and this VET Funding Contract.

Internal Audits

- 11.4 The Training Provider must conduct an internal audit of its compliance with this VET Funding Contract during each calendar year in accordance with any requirements of the Department. The Training Provider must ensure, in respect of each such internal audit, that:

- 11.8 For the purpose of Clause 11.7:
- a) the Training Provider must make its CEO or alternative representative available at least once per calendar year for up to three Business Days; and
 - b) 'participate in and assist with' means participating in discussions with other members of the Peer Review Panel, and contributing to the preparation of any report, recommendation, finding or other document to be submitted by the Peer Review Panel to the Department.
- 11.9 The Training Provider must ensure that, as required by the Department, its representative on the Peer Review Panel signs, as a condition of participation:
- a) a confidentiality deed; and
 - b) a terms of reference document.
- 11.10 The Training Provider agrees and acknowledges that, in addition to its obligations under Clause 13.1, the Training Provider must ensure that its CEO or other representative does not disclose Confidential Information in relation to the Peer Review Panel to third parties or any Training Provider Personnel.
- 11.11 The Peer Review Panel will submit any report, recommendation, finding or other document to the Department.
- 11.12 For the avoidance of doubt, the Department is under no obligation of any kind by reason of this VET Funding Contract or otherwise to adopt, recommend, publish, release or refer any material provided by the Peer Review Panel.

- 13.5 The Training Provider must include a standard privacy notice in all enrolment forms, in accordance with the Victorian VET Student Statistical Collection Guidelines, which advises Eligible Individuals how their data may be supplied to and used by the Department and Commonwealth VET Student Loan agencies.
- 13.6 The Training Provider must, in collecting any Personal Information for the purposes of this VET Funding Contract, ensure that it has obtained all necessary consents for:

- 14.2 The Training Provider acknowledges that it is solely responsible for carrying out its obligations under this VET Funding Contract and that the Department is in no way liable for the actions of the Training Provider or the Training Provider Personnel.

- 14.3 The Training Provider releases the Department from all liabilities and Claims directly or indirectly incurred or suffered by the Training Provider or the Training Provider Personnel arising from or in connection with the Department's exercise (or purported exercise in good faith) of its rights, powers and functions under this VET Funding Contract, including termination of this VET Funding Contract under Clause 18.
- 14.4 To the maximum extent permitted by Law, the Training Provider indemnifies (and must at all times keep indemnified) the Department, the State and their employees, servants and agents (on behalf of whom the Department has agreed this Clause 14.4) from and against all Loss which it or they may incur or suffer and all Claims which may be brought or made against it or them by any third party arising out of or in connection with:

- 14.5 The Training Provider's liability to indemnify the Department under Clause 14.4 will be reduced proportionally to the extent that a negligent, wilfully reckless, or unlawful act or omission of the Department has directly caused the relevant Loss or Claim.

14.7 The Training Provider must, at its own expense:

16. DISPUTE RESOLUTION

- 16.1 A Party claiming that a Dispute has arisen must promptly give the other Party a Dispute Notice.
- 16.2 The Parties must attempt to resolve all Disputes under this Clause 16 before commencing any court proceedings, except proceedings for urgent interlocutory relief.
- 16.3 Despite the existence of a Dispute, the Parties must continue to perform their obligations under this VET Funding Contract.
- 16.4 This Clause 16 does not affect the rights of the Department, which includes all of its rights and its right to terminate this VET Funding Contract.
- 16.5 The Parties must seek to resolve all Disputes acting in good faith and must not unreasonably delay or hinder the dispute resolution process provided for under this Clause 16.
- 16.6 If a Party provides a Dispute Notice under this Clause 16, it is open to either Party to provide a Notice of any other issue or dispute, and all other issues or disputes raised shall be deemed to have been included in the initial Dispute Notice.
- 16.7 If a Dispute Notice has been served by a Party, neither Party may issue a further Dispute Notice which recommences the Dispute resolution process as specified in this Clause 16 in respect of that Dispute without the consent of the other Party. A Party seeking to issue a further Dispute Notice or Dispute Notices must provide evidence to the other Party as to why the new issues that it wishes to raise cannot be managed as part of resolving the current Dispute, and that the Dispute which warrants the issue of a further Dispute Notice is clearly distinguished from, or does not arise as a result of, that which was commenced by the initial Dispute Notice.
- 16.8 If the Parties are unable to settle a Dispute within seven days of one Party giving a Dispute Notice to the other Party, each Party must appoint a representative with authority to settle the Dispute. The appointed representatives must meet within a further seven days to attempt to settle the Dispute.
- 16.9 If the representatives are unable to resolve the Dispute within seven days of first meeting, the Dispute must be referred within a further seven day period (**Referral Period**) to:
- a) in the case of the Department – its Executive Director or the Deputy Secretary of the Department, or their delegate; and

- 16.12 If a Dispute is referred to mediation by the Department:
- a) the Parties will agree on a mediator within seven days of the referral, failing which a mediator will be provided by ACDC;
 - b) the Parties must (unless they agree otherwise) conduct the mediation within 14 days of the mediator being appointed;

- c) each Party will pay its own costs in relation to attendance at, and participation in, the mediation; and
- d) the cost of the ACDC and the appointed mediator will be shared equally between the Parties.

16.13 The Department may notify the Minister of any Dispute.

16.14 In the event that the Department refers the Dispute to mediation and the Parties are unable to resolve the Dispute pursuant to Clause 16.12, or the Dispute is not referred to mediation, then the Department may refer the Dispute to the Secretary, or such other person nominated by the Secretary, as appropriate. A decision made pursuant to a referral under this Clause 16.14, will be final and binding on both Parties.

16.15 This Clause 16 does not apply to a Dispute arising under Clause 11 or Clause 18 or Clause 13 of Schedule 1.

17. ENFORCEMENT

17.1 The Department may take one or more of the actions in Clause 17.2 if:

- a) the Training Provider has breached, or the Department reasonably suspects that the Training Provider has breached or may breach a clause of this VET Funding Contract (whether or not the breach, or suspected breach, is a Material Breach);
- b) an event referred to in Clause 18.3 has occurred, or the Department reasonably suspects that such an event has occurred or may occur; or
- c) the Training Provider has breached an obligation to make a payment to the Department in connection with any earlier agreement between the Parties with respect to the *Skills First Program*, the *Victorian Training Guarantee Program* and/or the *Skills for Victoria Program*, whether or not such amounts comprise a refund of funds previously paid by the Department or any interest, penalty, or other moneys.

17.2 If it is entitled to do so pursuant to Clause 17.1, the Department may issue a Notice to:

- a) direct the Training Provider to suspend part or all of the provision of Training Services under this VET Funding Contract (whether in respect of one individual, a group of individuals or all individuals);
- b) withhold or suspend payment of any part of the Funds as the Department determines is appropriate until the Department is satisfied that the Training Provider is entitled to be paid those Funds under this VET Funding Contract;
- c) cancel the Training Provider's entitlement to any part or all of the Funds paid to or claimed by the Training Provider;
- d) require the Training Provider to refund such amount of the Funds previously paid as the Department reasonably deems appropriate (together with interest calculated daily at the rate prescribed under *Penalty Interest Rates Act 1983 (Vic)* until the amount is refunded by the Training Provider);
- e) require that the Training Provider pay to the Secretary a monetary amount specified in, or calculated in accordance with, this VET Funding Contract (in which case Clause 17.7 applies);

- f) where Clause 17.1(a) applies, pursuant to section 3.1.5 of the Act, seek an order for specific performance. The order for specific performance will be available despite anything to the contrary in a rule of, or principle at, common law or equity, even though:
 - i) adequate damages may be available for the breach of contract; or
 - ii) enforcement of the contract may require personal services to be provided;
 - g) require the Training Provider to pay any money expended by the Department to make good any non-compliance by the Training Provider with this VET Funding Contract; and
 - h) require the Training Provider to pay any money paid by the Department to auditors or reviewers, or any other authorised person, to verify the delivery, replacement or correction of any of the Training Services by the Training Provider.
- 17.3 In addition to its powers under Clause 17.2, if the Department becomes aware of what it considers to be an irregularity or inconsistency regarding the Training Provider's operations, reporting or other obligations under this VET Funding Contract, which the Training Provider fails to explain to the Department's reasonable satisfaction in the time required by the Department, the Department may withhold or suspend payment of any part of the Funds as the Department determines is appropriate until the Department is satisfied that the Training Provider is entitled to be paid those Funds under this VET Funding Contract.
- 17.4 For the purposes of this Clause 17, the Department may exercise any of its rights under Clause 17.2(a) to (f) or Clause 17.3 as if the Training Provider has breached an obligation under this VET Funding Contract (or the Department reasonably suspects it has breached) in respect of a population of individuals in relation to whom the Training Provider has claimed Funds under this VET Funding Contract that is specified by the Department (or a proportion of that population determined by the Department) if:
- a) the Department has a reasonable basis to believe that a breach of an obligation under this VET Funding Contract has occurred in relation to a number of a sample of individuals from the population;
 - b) that sample of individuals was randomly selected; and
 - c) the sample of individuals and the number of those individuals in respect of whom there is a reasonable basis for the Department to believe that a breach of this VET Funding Contract has occurred are each of such a size that it is statistically valid for the Department to make the extrapolation to the population of individuals.
- 17.5 Where the Department requires a payment from the Training Provider under Clause 17.2 and has not recovered that amount under Clause 8.6, the Training Provider will pay the amount due within 30 Business Days, or such other timeframe specified by the Department.
- 17.6 The Department may, by issuing a Notice to the Training Provider, direct the Training Provider to suspend part or all of the provision of Training Services under this VET Funding Contract in respect of any group of Eligible Individuals if the Training Provider fails to meet any capability or quality assurance requirements specified by the Department pursuant to Clause 5.6.
- 17.7 For the avoidance of doubt, where the Training Provider is required to pay a monetary amount to the Department in accordance with Clause 17.2(e) as a result of:
- a) a breach of this VET Funding Contract;

- b) a failure to meet a performance requirement specified in this VET Funding Contract which does not fall within subclause (a); or
- c) termination of this VET Funding Contract,

pursuant to section 3.1.4 of the Act, the Training Provider will be obliged to make payments despite anything to the contrary in a rule of, or principle at, common law relating to liquidated damages or penalties.

18. TERMINATION RIGHTS

18.1 In addition to any other rights it has to terminate this VET Funding Contract, the Department may terminate this VET Funding Contract at any time by issuing a Notice to the Training Provider 20 Business Days prior to the termination date. In the event that the Department terminates this VET Funding Contract in accordance with this Clause 18.1, the Department will pay:

- a) amounts that, in the reasonable opinion of the Department, are due and payable under Clause 8 of this VET Funding Contract as at the date of termination; and
- b) reasonable costs (but not including loss of profit or income) that, in the reasonable opinion of the Department, have been necessarily and directly incurred by the Training Provider as a result of the termination, provided that the Training Provider has, to the reasonable satisfaction of the Department:
 - i) used its best efforts to minimise any costs arising as a result of the termination; and
 - ii) provided adequate documentary evidence to substantiate those costs.

The Training Provider acknowledges and agrees that any amount paid by the Department will be finally determined by the Department.

18.2 This VET Funding Contract may be terminated at any time by written agreement between the Parties.

18.3 The Department may terminate this VET Funding Contract immediately by issuing a Notice to the Training Provider if:

- a) the Training Provider commits a Material Breach of this VET Funding Contract;
- b) the Training Provider commits a breach of this VET Funding Contract (whether or not the breach is a Material Breach) which cannot be remedied;
- c) the Training Provider commits a breach of this VET Funding Contract (whether or not the breach is a Material Breach) and the Training Provider:
 - i) fails to commence action to remedy the breach within 10 Business Days after the Department has served a Notice requiring it to do so; or
 - ii) having commenced action to remedy the breach, fails to complete that action as soon as possible and in any event within 20 Business Days of the Department's Notice;
- d) without limiting Clauses 18.3(a), (b) or (c), the Training Provider fails to provide some or all of the Training Services for which Funds have been claimed and/or paid or if the Training Services are not provided to a standard satisfactory to the Department;

- e) there has been any fraud or reasonably suspected fraud relating to the Training Provider or the Funds, misappropriation of Funds by the Training Provider or there has otherwise been any misleading or deceptive conduct on the part of the Training Provider in connection with this VET Funding Contract or the claiming, receipt or use of the Funds;
- f) the registration of the Training Provider under applicable legislation is suspended, withdrawn, cancelled or otherwise ceases;
- g) an Other VET Funding Arrangement Termination Event occurs;
- h) an Other VET Funding Arrangement Termination Event occurs to another registered training organisation that is a member of the Training Provider Group; and/or
- i) the Training Provider is abolished or will otherwise cease to exist pursuant to its governing legislation.

19. EFFECT OF SUSPENSION OR TERMINATION

- 19.1 If this VET Funding Contract is terminated, the Training Provider suspends delivery of the Training Services in respect of any Eligible Individual pursuant to a direction given by the Department under Clause 17.2(a), or the Training Provider otherwise ceases to deliver the Training Services in respect of any Eligible Individual prior to that Eligible Individual having completed or withdrawn from the relevant course or qualification, then:
- a) the Department may give the Training Provider directions, including a direction to assist Eligible Individuals to transfer to another registered training organisation in order to continue the training commenced by the Eligible Individual under this VET Funding Contract; and
 - b) pursuant to Clause 4.3(b), the Training Provider must immediately comply with such a direction.

the relevant Regional Office of the Department that the individual is no longer attending training.

- 3.7 If the Training Provider enrolls an individual on the basis of their eligibility pursuant to Clause 2.8 of this Schedule 1, the Training Provider must:

5. PLANNING FOR TRAINING AND ASSESSMENT

Pre-Training Review

- 5.1 For each Eligible Individual, the Training Provider must conduct a Pre-Training Review, as part of enrolment, or prior to the commencement of training, to ascertain a suitable, and the most suitable (as defined in the Quality Charter), course for that student to enrol in. - 5.2 The Training Provider must have a clear and documented business process for conducting the Pre-Training Review. The business process for conducting the Pre-Training Review must be consistent with the objective of this VET Funding Contract set out in Clause 3.1(b) of this VET Funding Contract.

- 5.4 The Training Provider must document how it determined the course or qualification each Eligible Individual enrolled in was a suitable, and the most suitable, training option for that Eligible Individual, with reference to the items in Clause 5.1 of this Schedule 1. The Training Provider must not enrol an Eligible Individual in a course or qualification that is at an inappropriate level for that student, including enrolling students in courses on the Foundation Skills List that would not provide additional relevant competencies.

- 5.5 If an audit of the Training Provider's compliance with Clauses 5.1 to 5.4 conducted by or on behalf of the Department reveals that any Pre-Training Review has not been completed and documented in accordance with Clauses 5.1 to 5.4, then (without limiting the circumstances in which it may exercise such rights) the Department may exercise its rights under Clauses 17 and 18 of this VET Funding Contract.
- 5.6 For the purpose of the Department exercising its rights under Clause 17.2(e) in the circumstances set out in Clause 5.5, the monetary amount will be \$200.00 per incomplete or inadequate Pre-Training Review.

- 5.8 If the Training and Assessment Strategy for a course or individual cohort undertaking a course is structured so as to be completed in a shorter time period than the minimum described in the Australian Qualifications Framework, the Training Provider must justify and document within the Training and Assessment Strategy, using a rationale based on the previous skills and knowledge and the needs of learners, how a specific learner cohort:
- a) has the characteristics to achieve the required rigour and depth of training; and
 - b) can meet all of the competency requirements in a shorter timeframe.
- 5.9 Without limiting Clause 5.7 of this Schedule 1, each Training and Assessment Strategy for a course, or an individual cohort taking a course, that will be delivered and/or assessed partly or wholly online must reflect and respond to the unique requirements of online delivery of training and assessment, and must include:

- a) Fee Requirements set out in any subsequent Contract Notification or subsequent orders or regulations pursuant to the Act or the National Act take priority over Fee Requirements set out in the Guidelines about Fees; and

- a) the rights, obligations and duties of the employer, the Training Provider and the Eligible Individual;
- b) the course of study with the Training Provider and the relevant skills required as part of that course to be developed, reinforced and/or assessed during the practical placement, for each Eligible Individual;
- c) the location and address of the practical placement for each Eligible Individual; and
- d) the start and finish dates, the total length of the practical placement expressed as hours, and the maximum hours per week.

- 10.4 The Training Provider must ensure that the practical placement is sufficient and appropriate in order to meet the vocational outcomes of the unit of competency to which it pertains.

11. EVIDENCE OF PARTICIPATION

- 11.1 All Training Services delivered by the Training Provider to an Eligible Individual must be supported by Evidence of Participation in accordance with the remainder of this Clause 11 for each unit of competency, such that a reasonable judgement regarding an Eligible Individual's participation in Training Services can be made.

- 11.2 The Training Provider must maintain documented evidence of engagement by the Eligible Individual in the learning and/or assessment activity. Except as permitted under Clause 11.5 of this Schedule 1, to be valid, evidence must contain the Eligible Individual's name or identification number, a unit of competency identifier and a date. The Department will determine if the evidence provided is sufficient to substantiate the claim that the Eligible Individual participated in training.

- 11.3 In addition, the following minimum specifications must be met to evidence an Eligible Individual's engagement in Training Services activity:

- a) one point of Evidence of Participation per unit of competency must be provided if the period between the Activity Start Date and Activity End Date (inclusive) for the unit of competency is one month or less; or
- b) two points of Evidence of Participation per unit of competency must be provided if the period between the Activity Start Date and Activity End Date for the unit of competency is greater than one month, including one point within the first month and one point within the last month of training delivery and/or assessment as identified by the reported Activity End Date. Two different forms of Evidence of Participation must be used. An auditor would consider the time elapsed between the start and end date (or withdrawal) of the unit of competency and use discretion as to a reasonable demonstration of ongoing engagement by an individual in learning and/or assessment activity across the unit of competency,

where one point of Evidence of Participation is one item of evidence as specified in Clause 11.5 of this Schedule 1.

11.4 In instances where competency based completions are involved, and where the employer signoff has not yet been received at the time when supervised training and/or assessment has concluded, an auditor will consider the final point of Evidence of Participation relating the student's engagement in supervised training and/or assessment.

11.5 The only Evidence of Participation that is acceptable under this VET Funding Contract is:

- a) **evidence of work submitted relating to engagement by the Eligible Individual in the unit of competency:** At a minimum, this evidence must contain the Eligible Individual's signature, and comply with the requirements set out in Clause 11.2 of this Schedule 1. In cases where this information cannot be recorded on the work itself, separate evidence must accompany the work to allow it to be linked to the Eligible Individual, the unit of competency and date completed, for example, identification of an Eligible Individual by a client identifier and a delivery schedule or equivalent detailing how the piece of work covers the unit of competency in question, including due dates and milestones;
- b) **Skills First Teacher notes based on communication between the Skills First Teacher and Eligible Individual, establishing the Eligible Individual's involvement in the learning and/or assessment activity of the unit of competency.** This includes personal interviews, telephone, e-mail, or other communication modes on the engagement of an Eligible Individual in learning and/or assessment activity of the unit of competency and may include reference to notes from another person working alongside the Skills First Teacher, for example an industry expert or workplace supervisor;
- c) **a Training Provider endorsed attendance roll:** The roll must be recognised by the Training Provider as a tool to record attendance as a part of its normal processes; contain the signature and name of the Skills First Teacher who conducted the training sessions, and the date; and show that the actual unit of competency was delivered at the point at which the Eligible Individual is marked on the roll (i.e. endorsed each time the Eligible Individual is marked on the roll). Where the roll indicates that the Eligible Individual has only attended the first class of an enrolment period, supporting documentation must be supplied demonstrating that there was engagement in the learning and/or assessment activities of the unit of competency during that class. Attendance at an induction or orientation class alone is not sufficient Evidence of Participation.

For clustered delivery:

- i) where, for the purposes of delivery or assessment, units of competency are clustered together, the evidence provided must satisfy participation at the unit of competency level requested;
- ii) where the subjects are delivered consecutively, a roll must be annotated to indicate what training was actually delivered in the session at the unit of competency level; and
- iii) for other types of clustered delivery, a delivery schedule or equivalent must be provided that shows the planned training, at the unit of competency level, on the date/s the Eligible Individual was in attendance.

For electronic rolls support documentation is required to indicate the processes involved in annotating, entering, updating and generating the rolls, as well as how to interpret the rolls;

- d) **primary documentation that provides evidence of assessment:** Primary documentation is considered to be a secure record that indicates an actual result consistent with assessment. All results must be supported by *Skills First* Teacher endorsed documentation, such as the Training Plan, *Skills First* Teacher's record book, diary, the actual assessment or similar record which confirms delivery to the Eligible Individual. Evidence of an Eligible Individual's results should have an endorsement at the delivery level that confirms the accuracy of the information such as the signature of the *Skills First* Teacher, their name and position. For all RPL outcomes, only the primary assessment tool used for any skills recognition assessments will be accepted;
- e) **where primary recording documentation is not available, a signed statutory declaration from the relevant Training Provider Personnel and the relevant Eligible Individual affirming the Eligible Individual's participation:** In the event that extreme circumstances prevent the provision of any of the primary recording documentation detailed in paragraphs (a) to (d), (f) and (g) (e.g. fire, flood or other equivalent circumstances), Training Provider Personnel directly associated with the training delivery that are authorised by the Training Provider may attest participation of the Eligible Individual in the unit of competency enrolment in question. In all such cases the relevant Training Provider Personnel is required to submit and sign a statutory declaration affirming their evidence.

In order to constitute sufficient Evidence of Participation, an appropriate Training Provider Personnel member must provide a full explanation of the reasons why primary recording documentation is not available and:

- i) a signed and dated statutory declaration containing a full explanation of the evidence being provided and affirmed that is sufficient to substantiate the claim that the Eligible Individual participated. It should be noted that a signed document merely stating that participation within the enrolment has occurred would not meet verification requirements; and/or
 - ii) a statement from an Eligible Individual declaring they participated in the unit of competency;
- f) **login and engagement with learning and/or assessment activity required for the unit of competency :** Where an Eligible Individual has a secure login to specific learning and/or assessment activity (for the unit of competency) in which they are enrolled, the login record demonstrating on-line engagement with the learning and/or assessment activity can constitute Evidence of Participation. The login record must evidence the Eligible Individual undertaking learning and/or assessment activity. A login record indicating the Eligible Individual received training materials alone is not

sufficient Evidence of Participation. Records must also indicate that the Training Provider has checked with the Eligible Individual that they are continuing to engage across the unit of competency; or

- g) **in flexible and distance modes of learning, records of Training Provider Personnel/Eligible Individual engagement with learning and/or assessment activity at a unit of competency level that indicates the individual has commenced working on the learning materials received.** Records must also indicate that the Training Provider has checked with the Eligible Individual that they are continuing to engage across the unit of competency.

General Requirements associated with verification of participation

11.6 The Training Provider acknowledges and agrees that:

- a) in undertaking an audit, review or investigation of Evidence of Participation in respect of Eligible Individuals, an auditor will attempt to utilise appropriate recording models adopted by the Training Provider to assure Evidence of Participation relating to the unit of competency;
- b) an auditor may use judgement when Evidence of Participation relating to common elements of competency across several units of competency is provided to validate more than one unit of competency;
- c) where a final assessment in the next collection year is supplied to justify participation in a unit of competency for a continuing enrolment in the current collection year, an auditor may verify each enrolment for participation on its merits; and
- d) an auditor will not accept Training Provider based Certificates in isolation to satisfy Evidence of Participation at the unit of competency level.

11.7 Verification of enrolments will not be allowed where documents such as ‘catch all’ sets of questions are provided as the only Evidence of Participation in respect of an Eligible Individual for a unit of competency. These sets of questions are typically completed on the first day of student attendance, covering all units of competency within the cluster and the nature of the questions are very simple with limited educational use.

Clarification Regarding Participation in VCE Units 3 & 4

11.8 The following additional requirements apply to Evidence of Participation in respect of Eligible Individuals relating to VCE Units 3 & 4:

- a) VCE Units 3 & 4 should be reported on the AVETMISS as individual units of study, (e.g. “Unit 3 Economics” Code ECO33 and “Unit 4 Economics” Code ECO34). Where an individual withdraws after commencing Unit 3, the Training Provider will also need to withdraw the individual from Unit 4, as both units must be delivered sequentially. In this instance the individual would be considered to have participated only in Unit 3, but not Unit 4 as there was no attendance or participation;
- b) where withdrawal is prior to 1 May, the individual will be automatically withdrawn from both Units 3 and 4;
- c) where an individual ceases to participate after 1 May they must be recorded as a Code 30 Assessable Enrolment – Competency Not Achieved/Fail for Unit 3. They must also be separately withdrawn from Unit 4; and

- d) where an individual completes Unit 3, they may be withdrawn from Unit 4, up to 10 July, after which time they must be recorded as a Code 30 Assessable Enrolment – Competency Not Achieved/Fail.

PART B

12. REPORTING

Training activity data and Government subsidised tuition fees

12.1 The Training Provider must:

- a) submit accurate Student Statistical Reports to the Department via the SVTS no less than once every calendar month per collection year. Each monthly submission must include full details for all training activity already delivered within the collection year, including government subsidised and fee for service training activity. This includes delivery already commenced/underway and/or completed in the current collection year; and reporting in relation to qualification completions;
- b) in the event that data previously submitted by the Training Provider as part of Student Statistical Reports to the Department is incorrect, resubmit correct data by no later than the following month's Student Statistical Report; and
- c) ensure that all required data is included and correct in the final Student Statistical Report for each calendar year into which the Term extends and that this report is submitted to the Department via SVTS by no later than the earlier of:
 - i) 5pm on 15 January of the next calendar year; or
 - ii) one month after the expiration or termination of this VET Funding Contract.

12.2 The Training Provider must:

- a) report (in cents) the actual tuition fee per hour charged to each Eligible Individual for training subsidised through the *Skills First* Program via the Client Tuition Fee field in the Student Statistical Report;
- b) report (as a rounded up dollar amount) any non-tuition fees charged to each Eligible Individual in connection with training subsidised through the *Skills First* Program, including any materials and equipment costs charged to the Eligible Individual, via the Client Fees – Other field in the Student Statistical Report; and
- c) where delivering the Victorian Certificate of Education or the Victorian Certificate of Applied Learning (Foundation, Intermediate, or Senior), report all units undertaken towards achievement of the VCE/VCAL against the relevant VCE or VCAL course code as identified in the Funded Courses Report, including VET units undertaken towards completion of the VCE or VCAL.

12.3 The Department may publish fee information related to training subsidised through the *Skills First* Program on an individual Training Provider basis as reported by the Training Provider.

12.4 The Training Provider must ensure that data that provides key information about an Eligible Individual and their course of study is accurate at all times, including through the following data items:

- a) name and contact details of the Eligible Individual as required in the NAT00085 file;
- b) the Delivery Mode Identifier, Outcome Identifier – National, Activity Start Date and Activity End Date as required in the NAT00120 file;

- c) Training Organisation Delivery Location Identifier as required in the NAT00120 file, and associated delivery location details as provided in the NAT00020 file;
- d) the Program Unique Supervised Hours as required in the NAT00130 file; and
- e) Program Supervised Teaching Activity Completion Date as required in the NAT00130 file.

12.5 Prior to submitting a Student Statistical Report under Clause 12.1 of this Schedule 1, the CEO of the Training Provider (or their nominee) must certify that:

- a) all of the data to be submitted as part of the Student Statistical Report is, to the best of their knowledge, accurate and complete; and
- b) they have made all reasonably necessary inquiries to satisfy themselves of the accuracy and completeness of the data,

by confirming as such through the SVTS submission screen or any other mechanism made available through SVTS from time to time.

12.6 The Training Provider acknowledges and agrees that, by submitting a Student Statistical Report in accordance with Clause 12.5, the Department is entitled to rely on all data contained in that Student Statistical Report as having been approved by the CEO.

Third Party Arrangements

12.7 If requested in writing by the Department, the Training Provider must promptly provide the Department with details of all third party arrangements for the delivery of Training Services (including determination of eligibility and enrolment processes, marketing and Brokering Services) on the Training Provider's behalf that have not already been notified to the Department pursuant to Clause 6.11(b) or Clause 7.10 of this VET Funding Contract.

Register of Trainers and Assessors

12.8 The Training Provider must establish and maintain an up to date Register of Trainers and Assessors detailing, for each *Skills First* Teacher:

- a) the individual's name;
- b) whether the Training Provider engages the individual as a trainer or assessor, or as both;
- c) for which qualifications the individual will be delivering training and/or assessment;
- d) the title of the highest qualification in training and assessment that the individual has obtained, and the date on which it was obtained;
- e) details of the individual's vocational competencies for each industry area in which they will deliver qualifications, being either:
 - i) the title of the highest qualification in each industry area that the individual has obtained that is at least of the level being delivered, and the date on which it was obtained; or
 - ii) confirmation that their vocational competencies have been mapped and determined to be equivalent to the level being delivered;

- f) details of the individual's current industry skills that are directly relevant to the training and/or assessment being delivered; and
 - g) details of the individual's participation in professional development, including:
 - i) in the fields of the knowledge and practice of vocational training, learning and assessment, including competency based training and assessment; and
 - ii) the individual's participation in professional development related to online delivery pursuant to Clause 7.20 of this Schedule 1.
- 12.9 The Training Provider must sight and retain documentary evidence (such as transcripts, testamurs and/or industry association membership cards) confirming the information entered on the Register of Trainers and Assessors.
- 12.10 The Training Provider must make its Register of Trainers and Assessors available to the Department at any time.

Pre- and post-testing of Foundation Skills

- 12.11 If the Training Provider is on the Foundation Skills Approved Provider List, the Training Provider must, in each calendar year into which the Term extends, collect and submit for each Eligible Individual that commences, completes or withdraws from a qualification in Domain A and Domain B of the Foundation Skills List:
- a) data that measures an Eligible Individual's skill level translated into the Australian Core Skills Framework or equivalent (as determined by the Department) at commencement of training; and
 - b) data that measures the same Eligible Individual's skill level translated into the Australian Core Skills Framework or equivalent (as determined by the Department) at the completion or withdrawal of training.
- 12.12 The data specified in Clause 12.11 must be submitted to the Department in a format, and by a date, notified by the Department. If the Training Provider is on the Foundation Skills Approved Provider List, it must submit:
- a) the data specified in Clause 12.11(a) within 60 days of the Course Commencement Date; and
 - b) the data specified in Clause 12.11(b) within 60 days of the last Activity End Date for the Eligible Individual.

For the avoidance of doubt, the Training Provider is not required to report on Eligible Individuals who are enrolled in enrolled in Literacy and Numeracy Support Units (using course code LNSUPPORT) but no other qualification on the Foundation Skills List.

Reporting of Literacy and Numeracy Support Units

- 12.13 The Training Provider must report Literacy and Numeracy Support Units using the LNSUPPORT course code and in accordance with the requirements set out in the Literacy and Numeracy Support Implementation Guide.

13. DETERMINATION AND PAYMENT OF FUNDS

Determination of Funds

- 13.1 Subject to the conditions and limitations set out in this VET Funding Contract, the Department will pay the Training Provider Contact Hour Funds for scheduled hours of training and assessment reported in relation to Eligible Individuals. The Contact Hour Funds are calculated by multiplying:
- a) the number of scheduled hours of training and assessment reported by the Training Provider under this Schedule 1 as having been delivered, or to be delivered, to Eligible Individuals; and
 - b) the applicable hourly rate per scheduled hour as identified in Clause 13.3 of this Schedule 1.
- 13.2 The Department is not liable to make payment of Funds for Training Services delivered to Eligible Individuals except for currently endorsed courses and qualifications as identified on the Funded Courses Report as published on the SVTS and which are on the Training Provider's Funded Scope. For the avoidance of doubt, payment of Funds will only be made where the Course Commencement Date for the relevant course or qualification:
- a) falls within the "Effective for CCD from" and "Effective for CCD to" dates for the course as identified in the Training Provider's Funded Scope; and
 - b) falls within the "Effective for CCD from" and "Effective for CCD to" dates for the course as identified in the Funded Courses Report.
- 13.3 The hourly rate per scheduled hour is the rate specified in either the 'Subsidy' or 'RPL Subsidy' field (as applicable) of the Funded Courses Report as published on the SVTS from time to time in respect of the applicable payment year, Course Commencement Date and Enrolment Type (non-Apprenticeship/Traineeship, Traineeship or Apprenticeship), as adjusted (if applicable) as follows:
- a) by a student loading being any combination of the following:
 - i) for Eligible Individuals who self-identify as being of Aboriginal or Torres Strait Islander descent (and are reported as such through the "Indigenous Student Identifier" field of the Student Statistical Report) by multiplying the 'Subsidy' or 'RPL Subsidy' for the course by 1.5; and
 - ii) for Eligible Individuals aged 15-19 years as at 1 January in the year of commencement of training without a senior secondary certificate or an accredited qualification at AQF level II or above, and eligible for a concession in accordance with Clauses 3.7 and 3.8 of the Guidelines about Fees, by multiplying the 'Subsidy' or 'RPL Subsidy' for the course (or, if a student loading has already been applied under Clause 13.3(a)(i) of this Schedule 1, the amount determined under Clause 13.3(a)(i)) by 1.3; and
 - iii) for Eligible Individuals aged 15-19 years as at 1 January in the year of commencement of training without a senior secondary certificate or an accredited qualification at AQF level II or above, and undertaking training in the Victorian Certificate of Applied Learning (Foundation, Intermediate or Senior) in units of competency reported against the VCAL course code, by multiplying the 'Subsidy' or 'RPL Subsidy' for the course (or, if a student loading has already been applied under Clause 13.3(a)(i) or (ii) of this Schedule 1, the amount determined under Clause 13.3(a)(i) or (ii)) by 1.1; and/or

- b) by a regional loading whereby the relevant 'Subsidy' or 'RPL Subsidy' for units of competency delivered in non-metropolitan locations to Eligible Individuals will be adjusted by the Department by multiplying the 'Subsidy' or 'RPL Subsidy' for the course (or, if a student loading has already been applied under Clause 13.3(a) of this Schedule 1, the amount determined under Clause 13.3(a)) by 1.1.

Training will be considered to be in a non-metropolitan location if the postcode of the training delivery location identified in the NAT000120 file is one of the postcodes identified as "non-metropolitan" on the Regional Postcodes Report as published on SVTS from time to time. The Regional Loading does not apply to online delivery or to distance education. Delivery will be deemed to have been delivered online or via distance education if:

- i) the postcode of the training delivery location identified in the NAT000120 file is "OSPC"; or
- ii) the Predominant Delivery Mode Identifier in the NAT00120 file in the Student Statistical Report is "E" (External delivery).

Restrictions on payments of Funds

- 13.4 The Department is only liable to pay Funds to the Training Provider for training activity that is reported in accordance with Clause 12 of this Schedule 1.
- 13.5 The Department is not liable to pay any Funds for training and/or assessment carried out by a person who did not at all relevant times comply with the *Skills First* Teacher requirements set out in Clauses 5.8 and 5.9 of this VET Funding Contract.
- 13.6 RPL undertaken as part of enrolment in a Foundation Skills List course, or the Certificate I in Vocational Preparation, will not be funded by the Department under this VET Funding Contract. Where RPL is funded by the Department under this VET Funding Contract, RPL will be paid based on the scheduled hours up to the nominal hours per unit of competency in accordance with this Schedule 1.
- 13.7 The Department is not liable to pay Funds in respect of recognition of current competency (RCC) under this VET Funding Contract.
- 13.8 The Department is not liable to pay the Contact Hour Funds to the Training Provider in respect of an Eligible Individual in excess of the Maximum Scheduled Hours for the applicable course or qualification.
- 13.9 The Department is not liable to pay the Contact Hour Funds to the Training Provider in respect of an Eligible Individual in excess of two times the nominal hours per unit of competency as published in the relevant Victorian Purchasing Guide.
- 13.10 The Department is not liable to pay, and the Training Provider must not make a claim for, any Funds in respect of any training or assessment provided to an Eligible Individual that is inconsistent with the packaging rules or vocational intent of the course, as specified in the Training Package or accredited course documentation.
- 13.11 The Department is not liable to pay Funds to the Training Provider in respect of:
- a) an Eligible Individual who commences training in a superseded qualification unless the Eligible Individual commences within 12 months of the date the replacement qualification is released on the National Register;

- b) an Eligible Individual that commences training in a deleted or removed course unless the Eligible Individual commences prior to the date the course is removed or deleted from the National Register;
 - c) an Eligible Individual undertaking training in a superseded qualification after a period of 12 months has elapsed from the date the replacement qualification is released on the National Register; or
 - d) an Eligible Individual undertaking training in a deleted qualification after a period of 24 months has elapsed from the date the qualification was removed or deleted from the National Register.
- 13.12 The Department is not liable to pay Funds to the Training Provider in respect of an Eligible Individual's participation in a unit of competency where the Activity End Date is after the "Subsidised Training End Date" as identified for the course in the Funded Courses Report.
- 13.13 The Department is not liable to pay Funds to the Training Provider in respect of an Eligible Individual's participation in a unit of competency unless the Training Provider has created a claim within 60 days of the Activity Start Date.
- 13.14 The Department is not liable to pay Funds to the Training Provider in respect of any training and/or assessment delivered to an Eligible Individual as part of a qualification on the Online Delivery Restriction List or any other qualification that is delivered as an Apprenticeship, where the qualification is delivered wholly online.

Payment

- 13.15 Payments of Contact Hour Funds to the Training Provider in respect of an Eligible Individual by the Department under this Schedule 1 will be made monthly in arrears by the Department on the basis of Student Statistical Reports submitted by the Training Provider to the Department in accordance with this VET Funding Contract.
- 13.16 The act of lodging a Student Statistical Report by the Training Provider to the Department is considered a claim for payment and constitutes a representation by the Training Provider that it:
- a) has delivered the reported hours of training and assessment in accordance with this VET Funding Contract;
 - b) has Evidence of Participation in accordance with this VET Funding Contract for each Eligible Individual in respect of which it is claiming payment; and
 - c) is otherwise entitled to payment in respect of those hours of training and assessment under this VET Funding Contract.
- 13.17 Contact Hour Funds paid by the Department to the Training Provider in respect of an Eligible Individual will be calculated at the unit of competency level, such that the Training Provider will be paid for the scheduled hours reported in respect of the unit of competency in equal instalments over the number of months of scheduled delivery, except that each monthly instalment will be for a whole number of scheduled hours. To the extent that the total number of scheduled hours divided by the number of months of scheduled delivery is not a whole number, then for the purposes of calculating instalments under this Clause 13.17:
- a) in respect of each month other than the final month of scheduled delivery, the number of scheduled hours for the month will be rounded down to the nearest whole number of hours; and

- b) the Contact Hour Funds in respect of any remaining scheduled hours will be paid in the final month of scheduled delivery.
- 13.18 The Training Provider must ensure Student Statistical Reports submitted via the SVTS reflect actual Training Services that are supported by Evidence of Participation. At a minimum, each monthly submission of Student Statistical Reports must include full details for all reportable training activity already delivered within the collection year. For example, Activity Start Dates and Activity End Dates must match the actual period of time within which Training Services occurred (or, where applicable, are reasonably expected to occur).
- 13.19 The Training Provider must not make a claim for payment under this VET Funding Contract for the delivery of Training Services that has not occurred at the time the claim is made, including:
- a) reporting that a unit of competency has commenced, as indicated by the Activity Start Date, prior to its actual commencement such that the Training Provider receives a full or partial payment for the unit of competency prior to its commencing; and/or
- b) reporting that a unit of competency has been completed as indicated by the Activity End Date, before it has actually been completed such that the Training Provider is paid in full for the unit of competency before it has been completed.
- 13.20 Training Services to Eligible Individuals in respect of which the Training Provider claims any payment of Funds under this VET Funding Contract must be reported by the Training Provider with the correct 'Funding Source Identifier' in accordance with the Victorian VET Student Statistical Collection Guidelines, and accurately reflecting whether the Eligible Individual is an Apprentice or Trainee.
- 13.21 The Training Provider must identify all units of competency relevant to the course or qualification in which an Eligible Individual is enrolled that have been attained by an individual as a result of previous formal training. To avoid doubt, the Training Provider is not eligible for Contact Hour Funds from the Department for the Eligible Individual contact hours associated with these units of competency, and must report such units of competency as credit transfer.
- 13.22 In the event that an Eligible Individual withdraws from a course or qualification prior to achieving competency in an individual unit of competency, and the Training Provider has sufficient evidence of the Eligible Individual's participation, the enrolment must be reported by the Training Provider as a withdrawal in all future Student Statistical Reports for the calendar year in accordance with the current Victorian VET Student Statistical Collection Guidelines. In these instances, payment of Contact Hour Funds in respect of the individual by the Department for the individual unit of competency from which the individual withdrew will be made based on the Hours Attended by the individual prior to withdrawal.
- 13.23 Where the Training Provider changes any of the data reported in a Student Statistical Report in respect of an individual's participation in a unit of competency from what it had earlier reported, and that change causes the total amount of the Funds payable, and/or the amount of any instalment of Funds calculated pursuant to Clause 13.17 of this Schedule 1, in respect of that individual's participation in that unit of competency to be either higher or lower than the amount calculated based on the data provided by the Training Provider in any earlier claim for payment of Funds, then either:
- a) if the amount is higher, the Department will (subject to its other rights under this VET Funding Contract) adjust its payments of Funds so that the Training Provider receives the correct total amount of Funds by the date of payment in respect of the reporting period in which the relevant Activity End Date occurs (or as soon as reasonably possible thereafter), in any manner determined by the Department from

time to time (which may or may not involve a change in the amount of Funds paid as a result of any claim for payment that is outstanding at the time of submission of the Student Statistical Report containing the updated data); or

- b) if the amount is lower, (without limiting Clause 8.5 of this VET Funding Contract) the Department may recalculate the amount due to the Training Provider at any time (including by recalculating the amount payable as a result of any claims for payment of Funds already submitted by the Training Provider) and determine that the amount of any overpayment made to the Training Provider is a debt due to the Department for the purposes of Clause 8.5 of this VET Funding Contract.

For example, if the Training Provider changes the Activity Start Date or Activity End Date that has been reported under Clause 12 of this Schedule 1 in respect of an individual's participation in a unit of competency, subsequent to the Training Provider's first claim for payment of Funds in respect of that unit of competency being undertaken by that individual, and that change causes the proportion of the Funds paid to date for the unit of competency to be greater than the proportion that would have been payable based on applying the calculation set out in Clause 13.17 of this Schedule 1 to the corrected Activity Start Date and Activity End Date reported by the Training Provider, the Department may determine that the amount of the overpayment is a debt due to the Department (even though there is no change to the total amount of Funds payable in respect of that individual's participation in that unit of competency).

- 13.24 In the event that an Eligible Individual withdraws from Training Services delivered under this Schedule 1 without participation, or where the Training Provider has insufficient evidence of the Eligible Individual's participation, the Training Provider must either:
- a) exclude that Eligible Individual's unit of competency from future Student Statistical Reports for the calendar year; or
 - b) report the enrolment as a withdrawal with zero Hours Attended in all future Student Statistical Reports for the collection year in accordance with the current Victorian VET Student Statistical Collection Guidelines.

To avoid doubt, no payment is made from Contact Hour Funds in respect of withdrawals with no attendance.

- 13.25 All withdrawals (Outcome Identifier – National Code “40”) must be reported within the year of the scheduled commencement in training and no later than two months from the point of withdrawal, unless extenuating circumstances prevent this from occurring (or by the final data submission date for the collection year as advised by the Department, whichever is earliest). For the avoidance of doubt, the point of withdrawal is either:
- a) the date of formal withdrawal; or
 - b) in the case of no formal withdrawal, the date of the last engagement.

13.26 If in the Department's view:

- a) the Training Provider has another course on its Funded Scope that would meet the needs of the Eligible Individual(s);
- b) a lower subsidy applies to the other course (as listed on the Funded Courses Report); and
- c) the packaging rules and vocational intent of that course would permit the training and assessment so that claim would not be contrary to Clause 13.10 of this Schedule 1,

then the Department may:

- d) calculate the Funds to be paid based on the other course; and
- e) if the Funds have already been paid to the Training Provider, re-calculate the payment based on the subsidy that applies to the other course, and take such other action as it sees fit in respect of any difference between the amount paid and the re-calculated amount.

13.27 The Department may recover any monies paid in relation to Training Services for any relevant unit of competency (other than in relation to the delivery of Approved Training Schemes to Apprentices and Trainees) where 90 days has elapsed from the Activity End Date and the Outcome identifier – National is listed with the Outcome Code of 70 'Enrolments continuing into a following collection year'.

13.28 Funds recovered in accordance with Clause 13.27 of this Schedule 1 will be paid to the Training Provider in the event that a valid Outcome Identifier – National is subsequently reported by the end of the collection year.

Fee Concession Contribution

13.29 Where the Training Provider has:

- a) granted a fee concession to an Eligible Individual in accordance with the requirements set out in the Guidelines about Fees; and
- b) reported to the Department that fee concession in the applicable Student Statistical Reports in accordance with the fee concession reporting requirements outlined in the Victorian VET Student Statistical Collection Guidelines,

then (subject to the Training Provider being eligible for the payment of Contact Hour Funds in respect of that course or qualification provided to that Eligible Individual) the Department will also pay a Fee Concession Contribution to the Training Provider.

13.30 The Fee Concession Contribution amount payable will be calculated by multiplying:

- a) 100% of revenue forgone, as calculated based on four times the actual hourly rate paid by the Eligible Individual and reported by the Training Provider (being 20% of the standard published hourly fee), up to a maximum hourly value. The maximum hourly value is the relevant 'Maximum Fee Concession Contribution per hour' for the course (as identified on the Student Tuition Fee Contribution Report); and
