Purpose of the Program Delivery Plans (PDPs)

General

Program Delivery Plans (PDP) submitted by Training Providers will provide the Department with important information that will assist in further improving the training system and in understanding the type of training to be on offer and how it will be delivered.

PDPs are not to be submitted for delivery the Training Provider intends to be fee-for-service.

Literacy and Numeracy Support

Depending on learner needs and delivery contexts, Literacy and Numeracy Support is designed to enable the selection and use of approved Literacy and Numeracy Support units to address the individual needs of learners to aid completion of a vocational qualification under the Skills First program.

Literacy and Numeracy Support is specifically designed for learners requiring literacy and numeracy skills to support the achievement of vocational competence. As such, commencements in Literacy and Numeracy Support will not be counted towards any initial allocations.

The Department remains committed to the acquisition of full foundation skill qualifications where appropriate to the learner and where they appear on the Approved Foundation Skills List.

In line with the above, PDPs must NOT be submitted for Literacy and Numeracy Support.

See more: <http://www.education.vic.gov.au/Documents/training/providers/rto/currlnsupportlitnum.pdf>

Multiple PDPs for a single program

While many Training Providers are likely to only complete one *PDP* on each Program they anticipate delivering, there are circumstances where they must complete more than one PDP for the same Program, such as if:

- The Program is to be offered as both a standalone and as part of a dual qualification;
- The Program is to be offered as part of more than one dual qualification Program;
- The Program will be delivered using more than one combination of Apprenticeship/Traineeship/Non-Apprenticeship or Non-Traineeship;
- The Program consists of distinct streams, more than one of which will be delivered; and
- The Program will be offered in more than one way that represents significant differences in aspects within the PDP, such as (but not limited to):
 - alignment with Objectives of the VET Sector in Victoria (see: <http://www.education.vic.gov.au/skillsfirst/Pages/about.aspx>);
 - the duration and intensity of the course; and
 - the methods and modes of training and assessment.

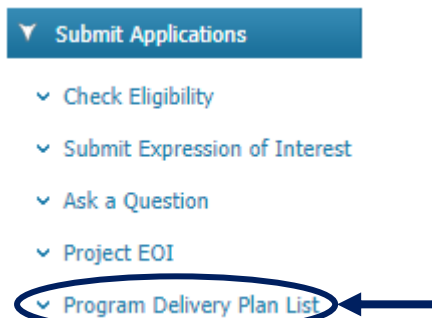

Note: In this *Guide to the Program Delivery Plan*, any references to the 2018-19 VET Funding Contract refer to the latest version issued by the Department in SVTS. If there is any conflict or inconsistency between this Guide and the VET Funding Contract, the VET Funding Contract takes precedence.

PLAN INFORMATION

Name:	Plan Two
Description:	Loving it

Program Details

Here one or two Program(s) intended for delivery should be selected. For 2019 PDPs, the Department has attempted to narrow down the list of available programs to a set more relevant for 2019 using the 2019 Funded Courses List and your organisation's scope of registration as reflected on <http://www.training.gov.au>.

PROGRAM DETAILS

Please select a Program(s) from the list below:

Program (Course)	Enrolment Type
Certificate I in EAL (Access) (22250VIC) <input type="checkbox"/>	Non-Apprenticeship/Traineeship <input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>

Type of Program:

Note: The Department treats these PDPs as meaning not only the code listed but also any relevant superseding or superseded versions (funded for new commencements in 2019).

The Training Provider is required to identify the type of training to be delivered. If the program is being delivered as a dual qualification and another program is added to the program list, the 'Type of Program' field will update automatically to reflect 'Dual Qualification'.

Please select a Program(s) from the list below:

Program (Course)	Enrolment Type
Certificate I in EAL (Access) (22250VIC) <input type="checkbox"/>	Non-Apprenticeship/Traineeship <input type="checkbox"/>
Certificate I in General Education for Adults (22236VIC) <input type="checkbox"/>	Non-Apprenticeship/Traineeship <input type="checkbox"/>

Type of Program:

Alignment

In this section of the PDP a concise outline of how the training intending to be delivered aligns to one or more of the objectives of the training and TAFE system in Victoria is required.

These objectives are:

- 1) Delivering quality training that meets current and future industry needs;
- 2) Growing employment and further education outcomes; and
- 3) Promoting equity and addressing disadvantage.

ALIGNMENT

Alignment with Objectives for the VET Sector of Victoria

Please concisely outline how this program aligns with one or more of the following objectives of VET in Victoria:

- 1) Delivering quality training that meets current and future industry needs. (Please provide evidence of industry linkages)
- 2) Growing employment and further education outcomes
- 3) Promoting equity and addressing disadvantage

Description 1

Description 2

Description 3

Not every Program will align with all three objectives; however, each Program should align with **at least one** of the above objectives.

Note: If the Training Provider responded to **objective 1** 'Delivering quality training that meets current and future industry needs', please provide evidence of industry linkages. This can be provided through uploading up to two short documents to flesh out this alignment.

Supporting Documentation (up to two files may be uploaded)

Document:

Training providers are also required to write a small outline of how they ensure that any training delivered in line with this PDP is suitable and appropriate.

If the Training Provider is unable to articulate how training would be suitable and appropriate for their target cohorts, or outline alignment with a *Skills First* objective, consideration should be given to whether this delivery would be appropriate for delivery under *Skills First*.

Participation

In this section of the PDP Training Providers should estimate the number of funded commencements across 2019 would occur under this PDP.

PARTICIPATION

	Q1 (Jan-Mar)	Q2 (Apr-Jun)	Q3 (Jul-Sep)	Q4 (Oct-Dec)
How many students are anticipated to commence the program in 2019?	<input type="text" value="50"/>	<input type="text" value="30"/>	<input type="text" value="40"/>	<input type="text" value="30"/>

Additionally, this section of the PDP requests information on tuition and other fees intended to be charged to students undertaking the Program.

What is the average total tuition fee charged to an Eligible Individual for the program?	<input type="text" value="100"/>
What is the average total of other non-tuition fees charged to an Eligible Individual for the program?	<input type="text" value="1000"/>

The Department requires indicative information on:

- What the average total tuition fee charged to an Eligible Individual will be for the Program;
- What the average total of other fees charged to an Eligible Individual will be for the Program. For the purpose of this guide, other fees may include, but are not limited to: Administration fees, Enrolment fees, Credit transfers, RPL enrolment and Training material

Note: For the 'Average total tuition fee' and 'Average total of other fees' sections please insert whole numbers only by rounding up or down to the nearest dollar.

Please do not use a comma or full stop to delineate between dollars and cents, as cents should not be indicated. For instance, if the average total amounts to \$2343.11 please round this figure down to the nearest dollar which becomes \$2343.

Duration and Intensity

This section of the PDP requires information on the expected duration and intensity of the Program. For definitions of the *Program Commencement Date* and the *Program Supervised Teaching Activity End Date* refer to the 2019 Victorian VET Student Statistical Collection Guidelines published in SVTS.

DURATION AND INTENSITY

What is the expected duration, (days) of the Program for the majority of students?	40
--	----

For the purpose of this guide, the duration of training is the time of the engagement with the student, including supervised study and assessment.

To clearly articulate the expected duration of the Program for the majority of students, Training Providers should use the expected number of days between the *Program Commencement Date* and the *Program Supervised Teaching Activity End Date*.

What is the expected number of Program Unique Supervised Hours, (PUSH) for most students? (For dual qualifications, you should indicate the unique number of hours from a student's perspective)	275
---	-----

It is important that the PUSH indicate the unique number of hours from a student's perspective.

If there are significant differences in the possible duration or PUSH for students within the program (due to factors such as different streams within the program), then a separate PDP must be completed to outline the different delivery.

Delivery Mode

In this Section of the PDP, Training Providers must indicate how prevalent a mode of student interaction is for the program. The sum of these must equal 100.

Modes of student interaction include:

- Face to face (e.g. time spent by student in a classroom or in a workplace with an educator physical present);
- Real-time remote (e.g. time spent by the student supervised by a remote educator);
- Self-paced remote (e.g. time spent by the student undertaking online tasks with no real-time engagement required in training or assessment); and
- Other.

DELIVERY MODE

Delivery by mode of interaction (share of total):	%
Face to Face	100
Real-time remote	0
Self-paced remote	0
Other	0

Sub-Contracting

Training Providers are required to identify if they intend to sub-contract training and/or assessment to another provider, or be sub-contracted to by another provider.

Note: All sub-contracting arrangements must be approved by the Department in 2019.

Subcontracting

Does your organisation intend subcontracting the delivery of any part of this program?	<input type="radio"/> Yes <input checked="" type="radio"/> No
<i>Subcontracting arrangements must be separately approved by the department. You must submit an application for approval of subcontracting arrangements in relation to this program to the department.</i>	

The information provided in this Section does not constitute a formal application to sub-contract for the 2019 training year, nor does it constitute approval by the Department of any sub-contracting arrangement.

Victorian Delivery Location(s)

Regardless of the intended delivery mode (see above) the Training Provider is required to outline where the delivery of training (or assessment) is intended to occur. This must be done for each location that a significant portion (25% or more) of the activity is intended to occur.

If this is not known, a blank value can be selected with the location set as "Other".
