

Health and Fitness Centre Conditions of Entry

Access to the Health and Fitness Centre is via a UniSports membership swipe card. Members who give non-members access to the Centre may have their membership terminated.

Patrons must:

- be a UniSports member or have a casual visit to access the centre. Children aged 13 – 15 must be supervised by a parent or guardian or individual fitness coach or personal trainer.
- wear appropriate exercise clothing and enclosed athletic footwear.
- ensure you are using machines appropriately. If you are unsure how to use a machine, please ask a staff member for assistance.
- ensure equipment and weights are wiped down and returned after use. Sanitised wipes are provided at stations situated around the Centre.
- keep your area safe and walkways clear.

Please be mindful of scheduled university classes.

The Health and Fitness Centre will now remain open during university classes.

Please ensure you are considerate of those students and staff who are partaking in the class.
