

Coronavirus response - Federation University Australia

Friday 12 February 2021

Dear Student,

Following the announcement of Premier Andrews earlier today, we can advise that from 11:59pm tonight all of Victoria will go to [Stage 4 restrictions](#) for five days.

As a result, Federation University and Federation TAFE campuses will close, as of 11:59pm tonight until Thursday 18 February.

If you are scheduled to attend an on-campus class or activity during this time, you will be contacted directly. FedLiving will liaise with students living in residence.

FedReady will still commence online this Monday 15 February, and online **orientation** from Monday 22 February. We are excited to officially welcome our new students into the Fed community.

Remember the student support services available to you – browse your [academic support options](#), explore the [health and wellbeing services](#) provided, and if you are feeling anxious or distressed, talk with a Federation University counsellor free of charge, via phone or online. Get emergency contacts and learn how to [make an appointment here](#).

The safety and wellbeing of our community are our priority and we appreciate your support. We look forward to providing a further update to you next week regarding the commencement of Semester One.

Stay safe.
