

2025 Commencing Domestic Postgraduate Full Fee-paying Tuition Schedule

Important information

- > All fees are quoted in Australian Dollars (AUD\$) and apply to FedUni Australia onshore campuses and teaching locations only.
- > Course and fee information applies to commencing 2025 students only studying between 1 January and 31 December 2025.
- > Fees are reviewed on an annual basis and may increase in the following calendar year.
- > Equivalent Full Time Student Load (EFTSL) is a measure of study load for a full year when undertaking a course on a full-time basis (120 credit points = 1 EFTSL i.e. 8 units x 15 credit points)
- > Course annual fees are based on a full-time study load (1 EFTSL / 120 credit points) in the same calendar year
- > Semester fees are based on a full-time study load (.5 EFTSL / 60 credit points) and the final tuition fee payable each semester will be determined by unit enrolments
- > The semester fee is an estimate only as fees may increase in future years - the amount you must pay is the tuition fee which has been approved for the calendar year in which the semester falls
- > For all courses listed students will be charged an additional tuition fee where a unit needs to be repeated
- > Courses on offer are subject to change at the discretion of the University - visit www.federation.edu.au/study for current information on offerings, delivery locations, entry requirements etc.
- > Eligible students who are offered a CSP will be charged the relevant Student Contribution Amount for each unit of study - refer to www.federation.edu.au/fees for further information
