

Pull-up Banner Care Instructions

Public Relations

1. Pull-up banners are made of high quality vinyl.
Do not attach anything to the banner such as tape, blu tack, glue, velcro dots etc. This will damage the vinyl fabric.
2. Pull-up banners are retractable units.
Please take care when raising and dismantling the banner.
Ensure the banner is raised and dismantled slowly and evenly to ensure the vinyl banner is not damaged.
3. This pull-up banner is for indoor use only.
4. Do not wipe the pull-up banner with any cleaning products.
5. If this pull-up banner is borrowed for more than one day please ensure it is stored and kept in a safe place overnight.

Please note: The borrower shall assume all risk of loss or damage (of whatsoever kind) arising out of the loan of this pull-up banner, and shall be fully responsible for paying the full cost to replace the lost or damaged equipment.

Please ensure the banner is returned to:
