Instructions	 Application fee must be paid upfront for the International Admissions team to process the application An application fee is charged for each application. This application fee is non-refundable in all scenarios Agent's contact information must be provided for International Admissions team to verify Internet connection trouble: At any point after registration you can save an incomplete application and log out. When you log in again you can continue working on the application. The application is saved whenever you hit the "Next", "Previous" or "Save and Exit" buttons. We suggest you save often to avoid having to re-enter information if you encounter internet issues while working on an application. If you experience problems when paying online, you can pay the non-refundable application fee by bank draft or money order payable to Federation University Australia. Bank drafts/money orders will need to be mailed or delivered in person to the International Admissions Office, Mt Helen Campus (address below). Your payment will be processed manually, and you will be sent a payment confirmation email with instructions on how to complete your application on line. Please note that manual processing of payment can take up to 10 work days. If you are experiencing internet connection trouble or are unable to use the Online Application, please download our International Application Form (pdf, 372kb) and submit a paper-based application. Change of application preference: if you would like to make any change to your existing application, please send a written request via email to internationaladmissions@federation.edu.au No additional fee will be charged if we receive your request during the following period: Within 2 weeks after submitting your application successfully before the application cut-off date; Within 2 weeks after receiving your CoE letter, before the program commencement date
