A higher degree of success.
Welcome to a higher degree of success

Take the first step toward realising your ambition with Federation University Australia.

Your FedUni journey begins before you arrive in Australia. From pre-arrival information, airport transfers to Student One accommodation when you arrive, all the way through to our Alumni network – keeping you connected for life.

When you join FedUni, you’re not just joining a university. You’re joining a collaboration of teachers, thinkers, shapers and creators, united in your achievement.

Find out why FedUni is one of the highest-ranking universities in Australia for employment and graduate satisfaction.

Alexandra Elibank Murray
Campus Director
Federation University Australia | Brisbane
Join the university united in your success

At Federation University Australia, we’re united in your ambition to achieve.

That’s why we offer guaranteed one-on-one support, guaranteed smaller, more intimate class sizes and a guaranteed industry placement upon graduation*. Every graduating student will have the opportunity to undertake an 8-12-week internship in the industry of their choice at no additional cost. The Careers Office will run sessions throughout the year to outline the program and offer students the opportunity to enrol.

Your opportunity to succeed begins in orientation week, as we outline all of our programs that will support your ambitions, build your employability skills and start creating your professional networks.

*See Terms and Conditions at federation.edu.au/brisbane for further information

Brisbane – Australia’s new world city

Brisbane is the capital city of Queensland and ranks among the top lifestyle cities in the world.

The subtropical weather will allow you to enjoy all year-round activities, making it the perfect place to live, study and work.

We’re also Australia’s fastest-growing capital city for employment. The city’s job market is growing at more than twice the rate of population growth.

Its east coast location allows companies to access a 24-hour business cycle, encompassing the Asian time zone and the closing of American and opening of European business days.

It’s the perfect place to study and build the skills and experience you need to succeed in your career.
Join a university with a guaranteed industry placement upon graduation*

We’re closing the gap between study and career with the Graduate Professional Internship Program.

Upon graduation, FedUni Brisbane students are eligible to apply for the program at no extra cost.

The Graduate Professional Internship Program can kick-start your career with online work-readiness workshops and an 8-12 week professional full-time or part-time internship placement that will improve your employability prospects.

You’ll spend time immersed in a host company alongside Australian professionals. The placement network consists of 3000 industry partners, from multi-nationals and ASX 100 companies, to small and medium sized businesses across a range of industries. All students’ internship placements are matched to your professional background and future career goals.

For more information about this program, including structure, inclusions and entry requirements, contact FedUni Careers Office at the Brisbane campus.
Careers program

Our unique industry partner collaboration provides you with ‘real world’ knowledge of the interview process, understanding how to ask the right questions and give the best answers through a live recruitment experience.

The program gives you the skills to prepare job applications, participate in phone, online and face-to-face interview processes and receive feedback on how to improve. We’ll also help you engage with job searching techniques including professional LinkedIn profiles, resume and cover letter skills, providing you with the best chance of getting interviews.

Graduate outcomes

FedUni is committed to your success.

When you graduate, you’ll leave with so much more than a degree. You will have developed a strong network and real world experience. The Graduate Professional Internship Program will give you an understanding of how the Australian workplace operates. Which means, when you do enter the workforce, you will do so with absolute confidence.

*See Terms and Conditions at federation.edu.au/brisbane for further information

Pathways to study

If you don’t meet the English requirements for the course of your choice, you will have the opportunity to study an English and Academic Preparation (EAP) Program.

EAP programs are designed to assist international students to gain entry into higher education degrees that require an Academic IELTS of 6.0. Study can be as short as 5, 10, 15 and 20 weeks and give students a great start to academic success. EAP programs run before your first semester starts.

Scholarships

A range of scholarships are offered for those considering studying at FedUni including FedUni Brisbane scholarships and Australian Federal Government scholarships.

Federation University Australia | Brisbane Scholarships

Emerging Leaders Scholarship
The Emerging Leaders Scholarship (ELS) is open to future international students who intend to study an undergraduate or postgraduate degree at Federation University Australia | Brisbane.

This scholarship rewards applicants with a 20 per cent reduction in tuition fees for the duration of their studies. No application is necessary for the ELS as it is applied to all successful applications for study programs at FedUni Brisbane.

Brisbane Industry Internship Scholarship
Gain work experience and bridge the gap between university and your career. The Brisbane Industry Internship Scholarship (BIIS) can kick-start your career and improve your employability prospects.

The internship is open to future international students who intend to study an undergraduate or postgraduate degree at Federation University Australia | Brisbane.

The scholarship rewards successful applicants with free entry into the Graduate Professional Internship Program. This 16-week program consists of four online work-readiness workshops, including an 8-12-week internship placement. Program participants spend time immersed in a host company alongside Australian professionals. 100% of the internship placements are matched to the participants’ professional background and future career goals.

Terms and conditions apply to all scholarships. Full details and more information is available at federation.edu.au/brisbane.

Australian Federal Government Scholarships

FedUni Brisbane is a participating institution in the Australia Government’s prestigious scholarships program.

We welcome students to apply for an Australian Awards Scholarship or Endeavour Scholarship. These scholarships aim to contribute to the long-term development needs of Australia’s partner countries to promote good governance, economic growth and human development.

For more information about Australian Government scholarships, visit dfat.gov.au and search Scholarships.
A warm welcome to Brisbane

Feel at home whilst studying abroad in the heart of the Brisbane city centre.

Accommodation
FedUni’s preferred student accommodation, Student One, is fully furnished with air-conditioned rooms and is around a 250 metre walk to campus.

Student One provides spaces to relax, study, engage, shop, connect and play alongside free unlimited high-speed Internet. Reception is staffed 24 hours a day, 365 days a year. It has multi-lingual staff (Chinese, Japanese, German, Portuguese and more) to make adjusting to your new city a bit easier. Further details can be found at studentone.com

Free airport pick-up
FedUni offers free airport pick-up for all new international students.

However, you may choose to make your own way into the city using the popular Airtrain that connects the airport directly to the city.

Dedicated student support
The student support office is here to help you settle into your new community and succeed in your studies.

The office can assist you with information about community services and programs, social and cultural events, language and academic support and health and counselling services.
How to apply

1. COURSE
Select the course you wish to apply for. Before applying, make sure you meet the entry requirements.

2. APPLY
Undergraduate and postgraduate (coursework)
Access the online application centre apply.federation.edu.au to submit your application.
Follow the instructions and ensure you have attached all relevant supporting documents.
A checklist of documentation required is available at federation.edu.au/international/prepare

3. ASSESSMENT
Your application will be assessed against:
• English language requirements;
• Academic entry requirements
• Availability of supervision for HDR applicants.
A complete application is normally assessed within five business days.

4. OFFER
If your application is successful, you will be sent an International Student Offer and Acceptance Pack that includes:
• Letter of Offer;
• Information for accepting your offer
• GTE and/or financial assessment forms.*
Sometimes, international students will be required to complete a pre-visa screening process as a condition of their offer under the requirement of Simplified Student Visa Framework (SSVF).

5. ACCEPT
Once you have provided all documentation and met all conditions, including passing SSVF Assessment, please pay the amount listed at “Total fee due in advance” and forward a copy of the receipt to International Admissions.
Once payment is confirmed, the University will issue an electronic Confirmation of Enrollment (CoE).
You will need your CoE to apply for your Australian student visa. More information on the visa application process available at border.gov.au

6. ARRIVAL
FedUni Brisbane will send you a welcome pack with information about pre-arrival, accommodation, studying, living and working information.
You will also receive information about the compulsory International Student Orientation Program that is held prior to the semester commencing.

Application deadlines
The deadline for applications will close one month before the first semester. Students are advised to apply as early as possible, to ensure enough time is allowed for application and visa processing by the Australian authorities.

Please refer to the FedUni website for the most up to date information on application deadlines federation.edu.au

Important information

English language requirements
Federation University Australia accepts academic English proficiency tests for IELTS, TOEFL, Pearson (PTE) and Cambridge (CAE). Tests must be taken within 24 months preceding your application.

Simplified Student Visa Framework
Under the Simplified Student Visa Framework, the University is required to ensure all prospective international students are meeting the Genuine Temporary Entrant criterion and have the financial capacity to pay for tuition and living costs for the study period in Australia.

The University reserves the right to apply a pre-visa screening process for all international applications. International students must pass our pre-visa screening process before accepting their offers and making payment, to obtain the Confirmation of Enrolment (CoE) letter. Students will need the CoE from the University to apply for a student visa.

Students must also meet genuine temporary entrant (GTE) criterion by being a student who intends to obtain a successful educational outcome and has the language, educational and material background to have a reasonable chance of achieving this educational outcome.

Student visas
All overseas students are required to have an International Student Visa issued by the Australian Government. Students must comply with their visa conditions in order to retain their visa. For information regarding visas visit the DIIP website border.gov.au

Overseas Student Health Cover (OSHC)
Students must have Overseas Student Health Cover (OSHC) for the length of your intended visa before a student visa can be granted.

The University will purchase health cover on your behalf through Bupa Australia Health or you may purchase your OSHC through another provider.

A full list of fees and information regarding OSHC is available at oshcaustralia.com.au

Your rights and responsibilities
The Educational Services for Overseas Students (ESOS) Act regulates the education and training sector’s involvement with overseas students studying in Australia on student visas. To view the ESOS Framework, please visit internationaleducation.gov.au

International student fees
Course fees for tuition in this guide apply to international students studying on-campus in Australia. The fees listed are an annual amount, and they are based on a standard study load of two semesters per year. Any variation to the study load will result in an adjustment to tuition fees. All fees are subject to annual review and may be adjusted. Fees apply to students commencing in 2017 or 2018 only. Course tuition fees cover the full cost of tuition but exclude the cost of living (housing and food), medical insurance, textbooks, entertainment, telephone calls, transport and non-compulsory course expenses.

Accommodation and living costs
The cost of living will vary according to lifestyle and location. The Australian Government indicates the cost of living for 12 months is $19,830. This includes accommodation, food, public transport, clothing, entertainment and incidental expenses. More information is available at studyinaustralia.gov.au
