Why choose Federation TAFE?

Federation TAFE is known for its high quality, industry led training providing graduates that ready for the future of work.

OVER 150 YEARS
of training experience

Established in 1870 we are one of Australia's oldest and most experienced training providers, offering courses that respond to industry needs and ensure our graduates are best placed for the future of work.

GREAT REGIONAL
LOCATIONS

Studying at our Ballarat or Wimmera campuses offers an affordable and relaxed lifestyle, supportive local community, vibrant cafe and cultural scene, popular local festivals and easy access to spectacular sights and attractions.

MORE THAN 5,000
TAFE STUDENTS
PER YEAR

Guaranteed
PATHWAYS

Federation TAFE is uniquely positioned as part of a dual sector university to provide pathways from vocational education and skills training to higher education programs. With our defined TAFE to University pathways you'll have the ability to pursue your passion at every level.

www.federation.edu.au/tafe-to-uni

CHOOSE FROM OVER **60** vocational training courses

World-class FACILITIES

Both our Building and Construction training Centre and Manufacturing and Engineering Skills Centre in Ballarat have been designed to replicate trade environments, to allow our students to experience workplace conditions throughout their training. In Ballarat there's also a hairdressing and beauty salon, commercial kitchens, training restaurant and automotive workshops. Wimmera also provides specialised training facilities in a range of areas, including nursing.

FEDERATION TAFE is at or **ABOVE** the **AVERAGE** for all measures in: **STUDENT EXPERIENCE, STUDENT OUTCOMES# & EMPLOYER FEEDBACK***

We aspire to be #1 TAFE on all these measures by 2025

EXPERIENCED & SUPPORTIVE Teachers

Federation TAFE teachers and trainers have strong industry experience and are passionate about supporting our students. Their expert knowledge combined with our small class sizes will set you up for success in your chosen field.

Industry connections

Our team works hard to maintain strong links with local industries and businesses to set our students up for the best possible outcomes.

Proportion of employers who were satisfied with training provided by Federation TAFE: 82.6%

Exception – students progressing to higher level studies
*Department of Education and Training TAFE Satisfaction Survey 2020; comparison against TAFE network.

Federation TAFE has been the heart of vocational education and training in central and western Victoria for thousands of students for over 150 years.

We aim to transform the lives of our students, many of whom, are the first in their families to begin their post-secondary education. Federation TAFE is proud to consistently be leading the way for Victorian TAFEs with our students reporting high levels of satisfaction with our teachers and the courses they study.

At the heart of everything we do is the drive to enhance the communities in which we live and work. Federation TAFE responds to the growing needs for new skills in our region, state and the country, with a range of new courses, that are well aligned to the Victoria Skills Plan, in Renewable Energy, Cyber Security, Plumbing, Nursing and Community Services coming in 2023.

We are dedicated to forming strong connections with employers and industry partners to ensure we offer the most up-to-date and relevant qualifications that students and employers are looking for, and provide experience that makes our students job ready.

With Free TAFE expanding in 2023, there has never been a better time to develop your skills and knowledge by enrolling in one of over 30 Free TAFE courses on offer at Federation TAFE for 2023.

If you are ready to take the first or next step in your educational next step in your education and career journey, we look forward to welcoming you to Federation TAFE.

Federation University Australia acknowledges the Traditional Custodians of the lands and waters where our campuses, centres and field stations are located and we pay our respects to Elders past, present and emerging. We extend this respect to all Aboriginal and Torres Strait Islander and First Nations Peoples.

The Aboriginal Traditional Custodians of the lands and waters where our campuses, centres and field stations are located include:

Wimmera	Wotjobaluk, Jaadwa, Jadawadjali, Wergaia, Jupagulk
Ballarat	Wadawurrung
Berwick	Boon Wurrung
Gippsland	Gunai Kurnai
Nanya Station	Mutthi Mutthi and Barkindji
Brisbane	Turrbal and Jagera

A TAFE Qualification to suit you

Pre-apprenticeships

Set yourself up for success in your future apprenticeship by completing one of our pre-apprenticeship courses. Programs run for between 14-18 weeks and can earn you up to 6 months credit towards your apprenticeship training.

Apprenticeships and Traineeships

Before enrolling as an apprentice or trainee, you need to be employed in the relevant industry, and have a signed training agreement. Most apprenticeships or traineeships are Certificate II or III level courses.

Visit study.federation.edu.au/area/tafe-apprentices to find out more about pre-apprenticeships, apprenticeships and traineeships.

Certificate IV, Diploma, Advanced Diplomas

Certificate IV courses train you for supervisory and management positions. Diploma courses teach skills in professional technical or creative fields. Advanced Diploma courses teach high-level skills in technical, professional and creative fields.

Combined programs

You may be interested in gaining the skills and perspectives that only a combined TAFE and higher education program can deliver.

Visit federation.edu.au/combinedprograms to find out more.

Free TAFE for Priority Courses

Your chosen course may be part of our Free TAFE program, allowing you to study for free in 2023.

Visit federation.edu.au/freetafe to find out more.

Fees

Fees vary between each course.

See your chosen course outline for course specific information or visit federation.edu.au/studentfees

Scholarships and Grants

Search our TAFE scholarships/grants by selecting Certificate and Diploma options at federation.edu.au/scholarships

Study Modes

We have study modes available to support your individual circumstances.

Visit federation.edu.au/studymodes for more information.

Extra Requirements

Each course comes with it's own entry requirements. Items such a Working With Children Check (WCC) or Police Check may be required before you begin placement or employment.

See your chosen course outline for more information.

LLN Assessment

Depending on your chosen course, you may be required to undertake a Language, Literacy and Numeracy Assessment and/or Pre-Training Interview.

See your chosen course outline for more information.

Where can I study?

SMB Campus (Lydiard Street South, Ballarat)

Located in the heart of Ballarat's CBD, our [SMB Campus](#) is a state of the art training facility equipped to deliver a range of vocational courses.

Facilities include:

Building and Construction Training Centre

Our specialist Building and Construction Training Centre has been designed to replicate a range of real workplace settings, including above and below ground plumbing, all weather building sites and commercial and residential electrical grids.

Manufacturing Engineering Skills Centre

Our recently redeveloped Manufacturing Engineering Skills Centre is equipped with the latest industry standard equipment to ensure our students have the experience and skills employers are looking for.

Prospect Training Restaurant

Our fully functional training restaurant, Prospects, is equipped with two commercial kitchens, allowing our commercial cookery students to practice their skills and gain practical experience in busy restaurant settings.

Federation Bakery Centre

Our purpose built Bakery Centre houses the latest industry standard equipment, designed to replicate commercial and artesian baking environments.

Unistyle Hair and Beauty Salon

Our specialty UniStyle salons provide hands on training environments for both hair and beauty students. Students are also able to gain practical experience during our public salon opening hours, treating real clients in familiar settings.

Federation College

Federation College provides an alternative to traditional schooling for students aged 15 - 28. Our VCAL and pathway programs provide options to students of all educational backgrounds.

Rural Skills Centre (Gillies Street and Mt Rowan, Ballarat)

Our Rural Sciences Skills Centre is spread across two locations.

At Gillies Street, you can study Horticulture and Conservation Management courses and gain fieldwork experience in the surrounding Ballarat Botanical Gardens and large wetlands area.

At Mt Rowan, you can study Agriculture and gain practical farming experience using the latest industry equipment.

Wimmera Campus (Baillie Street, Horsham)

Our Wimmera Campus is fully equipped to meet of students across the region.

Our specialist facilities include a hairdressing salon, a nursing training centre and specialised plumbing, electrical, automotive and building and construction workshops. The campus also houses an extensive student library and multiple computer study labs, research hubs and various student support services.

Mt Helen Campus (University Drive, Mt Helen)

Set on 110 hectares of natural bushland, our Mt Helen Campus combines a beautiful location with cutting-edge teaching and research facilities and is just minutes from the centre of Ballarat.

Pathway Courses

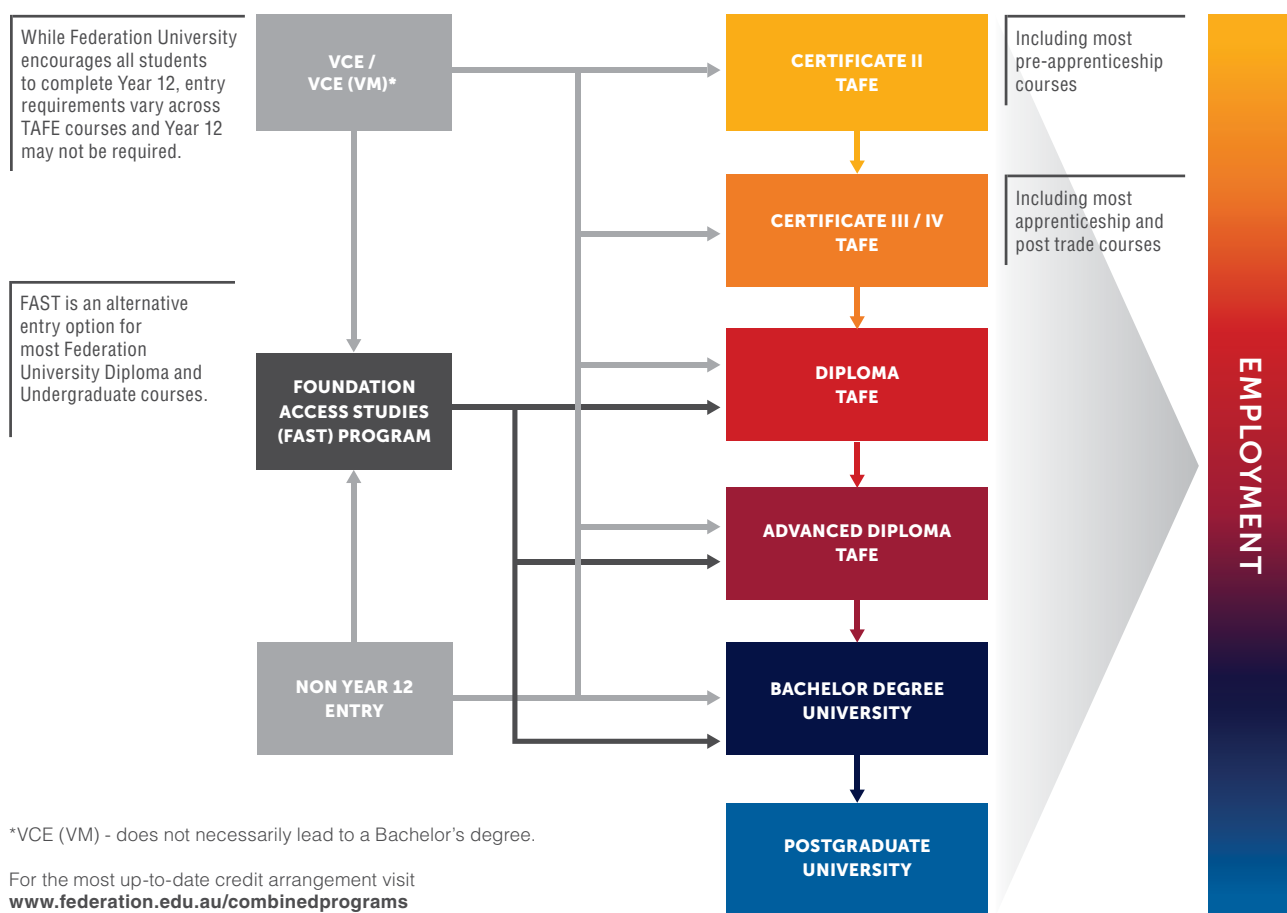

A different approach to your dream career

At Federation TAFE we are passionate about supporting our students, regardless of their educational background. We are proud to provide personalised pathways across TAFE and University to help our students reach their goals.

Admission Pathways

If you're thinking of studying a TAFE course, upon completion you may be eligible for credit into a degree within a similar field of study.
