Beauty Salon Pricelist

Thank you for choosing our facility. Please note that we are a training environment, and treatments may be performed by students under the supervision of qualified trainers.

As a result treatment timeframes may vary and may take longer than standard salon services.

Your patience is appreciated, as students are developing their skills and working carefully to provide high-quality treatments.

All procedures are conducted with a strong focus on safety, hygiene, and professionalism.

By proceeding with your appointment, you acknowledge and accept that you are receiving a treatment in a learning environment and understand the nature of services provided.

We thank you for supporting the next generation of beauty professionals.

Facials

Classic facial

60 minute treatment \$50

A timeless skincare treatment designed to deeply cleanse, exfoliate, and nourish the skin.

This rejuvenating facial includes a gentle cleanse, exfoliation, steam, extractions (if needed), a relaxing face and décolletage massage, and a custom mask tailored to your skin type. Perfect for maintaining healthy, balanced skin and leaving your complexion refreshed and radiant.

Advanced facial

60 minute treatment \$50

A results-driven treatment using advanced technology to target specific skin concerns.

This high-performance facial combines professional-grade skincare, ultrasonic exfoliation, microcurrent, or galvanic infusion (depending on your skin needs). Designed to treat a range of skin concerns, this facial delivers visible results and leaves your skin looking revitalised, smoother, and healthier.

An advanced facial can specifically treat the following skin conditions:

- Seborrhoea/acne/congested
- Diffused redness/sensitive
- Prematurely aged

Microdermabrasion

60 minute treatment \$50

A deep exfoliating treatment to reveal smoother, brighter skin.

This non-invasive treatment uses a diamond-tipped wand to gently exfoliate the outermost layer of dead skin cells, helping to improve skin texture, reduce the appearance of fine lines, congestion, acne scarring, and uneven tone. Includes a cleanse, exfoliation, massage, hydrating mask, and finishing products to nourish and protect the skin. Perfect for dull, tired skin needing a refresh.

Hydrodermabrasion

60 minute treatment \$50

Hydrodermabrasion combines the exfoliating power of microdermabrasion with the infusion of hydrating serums to cleanse, exfoliate, and nourish the skin simultaneously.

Ideal for all skin types, especially sensitive or dehydrated skin, this gentle yet effective treatment helps improve texture, tone, congestion, and overall radiance.

Includes a cleanse, hydrodermabrasion, massage, targeted infused serums, mask, and finishing products for a fresh, glowing complexion.

Massage

Full body massage \$45

60 minute treatment
Unwind from head to toe with our calming full body relaxation massage. This soothing treatment uses gentle, flowing strokes to ease muscle tension, reduce stress, and promote a deep sense of peace and wellbeing. Perfect for those needing a break from the daily grind, this massage encourages circulation, improves sleep, and leaves you feeling totally refreshed.

Full body aromatherapy massage \$45

60 minute treatment
A sensory escape designed to calm the mind and nurture the body. This gentle full body massage combines the healing power of touch with the therapeutic benefits of pure essential oils, tailored to your mood and needs. Whether you seek deep relaxation, emotional balance, or a boost of energy, this treatment restores harmony and leaves you feeling centred and uplifted.

Hot stone massage \$50

90 minute treatment
Melt away tension with the deeply soothing power of heated volcanic stones. This full body massage uses warm stones combined with flowing massage techniques to ease tight muscles, improve circulation, and promote deep relaxation. The heat penetrates deeply into the body, relieving stress and leaving you in a blissful state of calm.

Reflexology \$30

60 minute treatment
A targeted, holistic therapy that works through pressure points on the feet to rebalance the entire body. Each point corresponds to organs and systems, helping to relieve stress, improve circulation, and support your body's natural healing processes. This deeply relaxing treatment restores harmony, leaving you grounded, refreshed, and revitalized.
