

# FedUni prides itself on being inclusive

We care about your rights

## Breastfeeding and Children

- All FedUni campuses are breast-feeding friendly.
- We recognize that there are occasions when students who are parents/carers/guardians wish to bring children to Uni. We also recognize that, in a variety of situations, there are reasons why such access may need to be refused or limited.
- There are baby change and private breastfeeding facilities available.
- View the webpage 'Students and staff as carers' on our website [www.federation.edu.au/equity](http://www.federation.edu.au/equity)

## Gender Transitioning

We recognize that each person's gender transition is different and we will work with each student to make the journey with FedUni as smooth as possible eg around name change; colleague and classroom education; toilets; pronouns; support services.

## LGBTIQA+

- Actions are underway as part of our FedPride Strategy to be more inclusive to our LGBTIQA+ community.
- FedUni celebrates LGBTIQA+ events like IDAHOBIT and Wear it Purple Day
- We have an LGBTIQA+ student group at FedUni. To check out their facebook page search for 'FedUni Rainbow Collective' or email [fedunirainbow@gmail.com](mailto:fedunirainbow@gmail.com)

## Cultural and Religious Diversity

We have a range of groups and support services that reflect the cultural and religious diversity of our students. These include:

- Aboriginal Education Centre
- Student Support Services for Migrants, Refugees and International Students
- Muslim and multi-denominational prayer rooms
- Student groups and societies

## Disability, Medical and Mental Health

- We aim to make sure that our students with disability can participate equitably in all aspects of Uni life.
- When we say disability we include medical conditions, mental health conditions and a range of other physical and sensory disabilities. They might be permanent (eg deafness) or temporary (eg broken arm).
- The Disability Liaison Unit can assist with negotiating adjustments in your studies and offer other supports to help you settle into Uni life. This is a free service.
