

## Coronavirus response - Federation University Australia

Monday 11 January 2021

Dear Student,

As you may be aware the QLD Government plans to lift 'lockdown' restrictions this evening at 6.00 pm.

The Brisbane Campus will re-open with limited staff from Tuesday 12 January 2021, in line with QLD Health directives, and we remind you that all [student support services](#) remain accessible online.

The following restrictions are now in place in accordance with [QLD Health](#) until **1.00 am 22 January 2021** at which time they will be reviewed:

### Physical distancing

- You must maintain 1.5m physical distance in on campus.
- Breaching that distance should only happen in exceptional circumstances and requires that you wear a mask.

### Masks

- You **must** carry a face mask with you at all times when you leave home, unless you have a lawful reason not to. You must wear a mask in indoor spaces, except in your home. For example masks are required in:
  - shopping centres, supermarkets, retail outlets and indoor markets
  - hospitals and aged care facilities
  - churches and places of worship
  - libraries

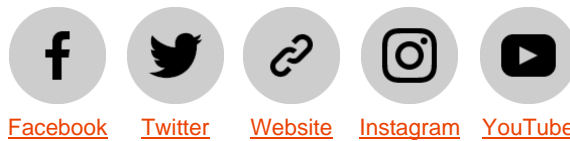

- indoor recreational facilities and gyms
- indoor workplaces (where you can't socially distance) - this includes the university campus
- public transport, taxis and rideshare
- airports and travelling on planes.

[QLD Health](#) recommends you wear a mask when outdoors if you are unable to stay more than 1.5m distance from other people, such as when using busy walkways and thoroughfares.

Kind regards and stay safe,

Alex
