

Quality in Skills First Delivery Series Good Practice Literacy and Numeracy Assessments FREE In-person full day workshops

The **Victorian Skills Authority (VSA)** provides funding to the VDC to deliver free professional learning workshops to teachers, trainers and assessors and other staff directly involved in directing students to training options at Skills First providers.

These in-person workshops will cover obligations of RTOs to assess and support language, literacy, numeracy and digital skills, the framework/s used for assessment and support, LLND assessment tools and tasks, and strategies to support learners to develop the LLND skills they need.

Topics Covered:

- The RTO obligations to assess potential learners' LLND skills
- Quick overview of the ACSF, including Pre-Level 1 and the Digital Literacy Skills Framework
- Pre-training LLND assessments, including commercial products and assessments developed in-house
- Examples of ACSF assessment tasks and making judgements about the evidence they produce
- Placement of learners in qualifications, based on LLND skills
- Supporting learners to develop the LLND skills they need.

Learning Outcomes:

- Knowledge of the ACSF including Pre-Level 1 and the Digital Literacy Skills Framework
- How to recognise, and develop good LLND assessment tasks
- Knowledge of how to place learners in vocational qualifications
- Strategies to support the development of LLND skills.

Level

Introductory (new to the topic): These sessions are aimed at practitioners that have a broad theoretical knowledge and practical experience of training and assessment.

Audience

Skills First training provider staff who are involved in Pre-Training Reviews, along with trainers and assessors.

Facilitator

Jenni Oldfield brings over 25 years of experience of working in the vocational education and training sector, developing training and assessment material, developing components of training packages, and providing expert advice on developing adult language, literacy and numeracy skills. Jenni is a recognised expert in analysing and working with language, literacy and numeracy requirements in the VET sector, and an experienced facilitator, instructional designer and project manager.
