

# Draft 2023 Guidelines About Eligibility

## Skills First Program

Department of Education and Training

## PURPOSE

These Guidelines describe the Skills First eligibility requirements the Training Provider must apply in assessing and evidencing a student's Skills First Entitlement.

The Training Provider must have a clear and documented business process for determining a student's eligibility, as required by the VET Funding Contract (the Contract). This business process must include the collection of supporting evidence.

These Guidelines apply to all enrolments in Skills First subsidised training and must be read in conjunction with the Contract.

## 1. DETERMINING ELIGIBILITY FOR THE SKILLS FIRST PROGRAM

1.1 The Training Provider must assess a student's eligibility against the requirements outlined in this Section 1.

### Citizenship/residency

1.2 A student must be either:

- a) an Australian citizen;
- b) a holder of a permanent visa; or
- c) a New Zealand citizen,

as evidenced by one of the documents described in the Evidence of Eligibility and Student Declaration form at **Attachment 1** to these Guidelines.

### The 'upskilling requirement'

1.3 A student who is **20 years of age or older**<sup>1</sup>, can only enrol in a program at a higher AQF level than the highest qualification level they will hold at the time when their training will commence.

1.4 A student does not have to meet the upskilling requirement if they are:

- a) enrolling in a Foundation Skills Program;
- b) enrolling in training as an Apprentice (not a Trainee) under an Approved Training Scheme;
- c) enrolling in training in the Victorian Certificate of Education (VCE) or the VCE Vocational Major (VM);
- d) enrolling in a Skill Set; or
- e) under 20 years of age.<sup>2</sup>

(this is subject to the further limits outlined in these Guidelines).

1.5 The following completed programs are not taken into account for the purpose of determining if a student meets the upskilling requirement:

- a) senior secondary school certificates<sup>3</sup>;
- b) Foundation Skills Programs;
- c) any VET certificates completed as part of a senior secondary qualification (including School Based Apprenticeships or Traineeships);
- d) Skill Sets; and
- e) non-Australian programs, except where equivalency has been formally established with a qualification level within the AQF.

<sup>1</sup> As at 1 January in the year their training will commence.

<sup>2</sup> As at 1 January in the year their training will commence.

<sup>3</sup> Senior secondary school certificates includes the VCE, the VCE (VM), VCAL (Intermediate or Senior), International Baccalaureate (IB) Diploma, and senior secondary school certificates from other Australian jurisdictions.

## The '2 Skill Sets in a year' and '2 AQF qualifications in a year' limits

- 1.6 In a calendar year, a student (**regardless of their age**) may only commence a maximum of two:
- Skills First subsidised Skill Sets; and
  - two Skills First subsidised programs that are AQF qualifications.
- 1.7 The following scenarios are not counted when determining if a student meets these limits:
- transitioning from a superseded program to the current version of the same program;
  - recommencing training in the same program (at either the same or a different provider);
  - enrolling in an Apprenticeship (not Traineeship) after having participated in one of the programs identified as a 'Pre-Apprenticeship and Pathway Program' on the Funded Programs Report; or
  - participation in '22510VIC – Course in Identifying and Responding to Family Violence Risk'.

## The '2 at a time' limit

- 1.8 A student (**regardless of their age**) may only commence a maximum of two Skills First subsidised programs at any one time.
- 1.9 Participation in the '22510VIC – Course in Identifying and Responding to Family Violence Risk' will not be counted when determining if a student meets this limit.

## The '2 at level in a lifetime' limit

- 1.10 In their lifetime, a student (**regardless of their age**) may only commence a maximum of two government-subsidised qualifications at the same level in the AQF.
- 1.11 The following types of commencements are not taken into account when determining if a student meets this limit:
- senior secondary school certificates;
  - Foundation Skills Programs;
  - any VET certificates undertaken as part of a senior secondary qualification (including School Based Apprenticeships/Traineeships);
  - transitioning from a superseded program to the current version of the same program; or
  - recommencing training in the same program (at either the same or a different provider).

## Eligibility for Foundation Skills programs

- 1.12 If a student is enrolling in a Foundation Skills Program, previous commencements should not be taken into account when determining the '2 at level in a lifetime' limit.
- 1.13 A student is not eligible for a Foundation Skills Program if they:
- hold an AQF qualification issued by an Australian VET or higher education provider that is at AQF level 5 (Diploma) or higher.
  - are enrolled in the Commonwealth Government's 'Skills for Education and Employment' program.

## Eligibility exemptions

- 1.14 The Training Provider may only exempt a student from the eligibility requirements in accordance with Part C of Schedule 1 of the Contract. The Training Provider must sight and retain evidence of a student's eligibility to receive an exemption as specified in Part C of Schedule 1 of the Contract.

# 2. SIGHTING AND RETAINING EVIDENCE OF ELIGIBILITY

### Electronic completion of the Evidence of Eligibility and Student Declaration form

2.6 If the Training Provider completes, and has students complete, the Evidence of Eligibility and Student Declaration form electronically, it must ensure:

- a) that the information collected is exactly the same as that which would have been collected in hard copy; and

- b) an electronic action equivalent to a signature is undertaken in any instance where a signature is required on the form.

2.7 If the Training Provider engages a Gateway Service Provider to access the DVS as part of obtaining and assessing evidence of eligibility and the DVS is unable to verify an individual's document, then the Training Provider must offer that individual the opportunity to provide their evidence of eligibility in an alternative format, prior to making an assessment of that individual's eligibility.

### Relying on information obtained about a student for a subsequent enrolment

2.8 If the Training Provider has sighted and retained evidence of a student's citizenship and (where relevant) their age (in accordance with the requirements of the Evidence of Eligibility and Student Declaration form), it may use this evidence for any subsequent enrolments by that student, with only that Training Provider, provided that:

- the evidence, if verified by any means other than through the DVS, has not expired when a subsequent enrolment occurs;
- the evidence, if verified through the DVS without retaining an expiry date, is only used for subsequent enrolments that occur within the same calendar year as the DVS check;
- the evidence continues to be retained for audit, review or investigation purposes; and
- the Training Provider makes all other assessments of the student's Skills First Entitlement for each subsequent enrolment.

### Additional evidence to be sighted and retained for students under 17 years of age

2.9 Prior to enrolling a student who will be under 17 years of age at the time their training commences, the Training Provider must sight and retain evidence the student has been granted an exemption from school attendance as follows:

	If the student:	The Training Provider must sight and retain:	And ensure that it:

2.10 An exemption from school attendance is granted on the basis that the student will undertake a specific program at a specific training provider, as identified in the exemption.

If the student is still under 17 years of age and wishes to enrol in a different program or enrol at a different training provider to what is identified in their exemption, the approver of the exemption must confirm that the proposed change is permitted. The Training Provider must sight and retain this

confirmation prior to enrolling the student in a different program, or prior to enrolling the student if they are not the training provider referred to in the original exemption.

### **Proxy declarations for students in exceptional circumstances**

- 2.11 In exceptional circumstances, where a student is unable to provide any of the evidence documents specified in the Evidence of Eligibility and Student Declaration form, the Department may accept a proxy declaration, in the form of a signed declaration by the CEO of the Training Provider or of a relevant government or community service provider attesting to the student's citizenship/residency and/or age status.
- 2.12 The Training Provider must make all reasonable efforts to help a student demonstrate their citizenship/residency/age status through providing one of the accepted evidence documents and a proxy declaration can only be used in exceptional and specific circumstances.
- 2.13 Proxy declarations will not be accepted where a student has simply been reluctant to incur the cost or inconvenience of obtaining relevant evidence documents.
- 2.14 The Training Provider must present a robust case to the Department for approval (via the enquiry function of the Skills Victoria Training System (SVTS)) for the proposed use of a proxy declaration.
- 2.15 If approval is received, the Training Provider must keep a copy of the proxy declaration and the Department's SVTS enquiry response for audit or review purposes.

### How to have a document certified

Bring both an original and a copy of the original to the certifier.

The certifier will:

1. examine the original to ensure it is not a copy or forgery
2. examine the copy to ensure it is identical to the original. A copy can be considered identical even if it is a different size or colour, so long as that does not result in the loss of any material information.

The certifier will then write or stamp the copy with the words: "Certified to be a true copy of the original seen by me." They will sign and date the copy, and write or stamp their name, personal or professional address and qualification.

If there are multiple pages to the copy, the certifier will sign or initial and number all pages.
