

Master of Psychology (Clinical) and Master of Professional Psychology

Additional Details Form for applicants from
 Regional, Rural or Remote Areas
 School of Health and Life Sciences

This supplementary form must be completed if you have indicated that you wish to be considered as an applicant from a regional, rural, or remote area. Please note that in order to satisfy the regional/ rural/remote criteria students need to provide evidence that they have resided, worked and/or studied for five (5) years, cumulative or consecutively, in a regional/rural/remote region (or regions) from the age of five (5) years. FedUni will classify regions as being regional/rural/remote using the Commonwealth Government’s Australian Standards Geographical Classification – Remoteness Area classification (ASGC-RA). The eligible categories are: RA2 - Inner Regional Australia, RA3 - Outer Regional Australia, RA4 - Remote Australia, and RA5 - Very Remote Australia. The University reserves the right to request evidence substantiating, and conduct checks on, any information provided in relation to claims pertaining to the regional, rural, and remote status of the applicant. **Applicants are advised that should they receive an interview for the program, evidence substantiating the claims made in relation to their regional, rural, and remote status must be brought to the interview.**
