Ryan Moore
Business Graduate

“As part of my Bachelor of Business (Marketing and Human Resource Management) degree, I completed a placement at the Fiona Elsey Cancer Research Institute.

The placement was structured so I was able to gain real industry experience while playing a critical role in the team.

I assisted the Marketing and Events team in organising the Ballarat Cycle Classic - a large annual charity event with all proceeds going directly towards cancer research.

I developed skills in managing an event with over a thousand participants and multiple community stakeholders.”
