Schedule 1 Academic Board Charter

Academic Board

Charter

This Charter sets out the objectives and functions of the Academic Board, the responsibilities of its members and provides details of the Board's membership and operations.

Academic governance

The *Federation University Act 2010* (the Act) provides that a primary responsibility of the Council is to oversee and monitor the academic activities of the University.

The Act also requires the Council to establish an Academic Board and delegate powers or functions to it.

Note: In this Charter the word *academic* includes higher education, vocational educational and training programs and research programs.

Objective

In accordance with the Federation University Australia Statute 2021, the objective of the Academic Board is to establish and maintain academic leadership at an institutional level.

Functions

The functions of the Academic Board are to—

- achieve effective academic oversight of the quality of learning and teaching¹, research and research training;
- approve proposed new academic and other programs leading to an award;
- set and monitor institutional benchmarks for academic and research quality and outcomes;

¹ The term ***learning and teaching*** refers to all University teaching, learning, education and training activities.

Federation University Australia (Academic) Regulations 2022

Schedule 1 Academic Board Charter

- oversee and monitor risks to academic and research integrity and brief the University's Audit and Risk Management Committee on matters that may result in regulatory risk;
- provide advice to management, the Vice-Chancellor and the Council on academic and related matters, including advice on academic outcomes, policy and practices;
- monitor and report to Council on academic and research quality and standards;
- monitor the occurrence and nature of formal complaints relating to academic matters and the actions taken to address underlying causes;
- receive advice on academically related matters from University advisory bodies;
- confirm that delegations of academic authority are exercised appropriately;
- recommend to Council the conferral of higher education and vocational education and training qualifications;
- between meetings, decide urgent matters by circular resolution, which matters have been referred to it for decision by the Academic Board Administrative Committee; and
- consider issues referred to it by the Council for consideration.

As the peak academic governing body of the University, the Academic Board oversees the University's academic governance system consistent with the requirements of the Higher Education Standards Framework (Threshold Standards) 2021 and other regulatory standards.

The Academic Board must carry out its functions with a view to ensuring compliance with governing regulations and professional accreditation, including those applicable in overseas jurisdictions in which the University offers academic programs or undertakes academic activities.

The Academic Board may obtain and use independent advice as necessary for informed and competent decision-making.

Reviews

The Academic Board will:

- review the performance of its standing committees against their terms of reference on an annual basis and report accordingly to Council;
 - review this Charter at least once every two years; and
 - work with independent reviewers appointed by Council who review the effectiveness of the University's academic governance processes at least once
-

every five years and ensure that agreed recommendations from those reviews are implemented.

Membership of the Academic Board

The Academic Board comprises the following members:

Ex officio members

- Chair, appointed by the Council on advice from the Vice-Chancellor in accordance with the Statute;

Note: See section 22(1) of the Statute in relation to the appointment of the Chairperson.
- Deputy Chair, appointed by the Vice-Chancellor from the TAFE representatives on the Committee;

Note: See section 22(2) of the Statute in relation to the appointment of the Deputy Chairperson.
