

SAGE ATHENA SWAN @ FED UNI:

WHAT'S IT ALL ABOUT?

Science in Australia Gender Equity (**SAGE**) is a national program promoting gender equity and gender diversity in science, technology, engineering, mathematics and medicine (**STEMM**).

SAGE is run by the Australian Academy of Science in partnership with the Academy of Technology and Engineering (**ATSE**).

This process is being led by **CLIPP** (Centre for Learning, Innovation and Professional Practice)
