

REGULATION 5.1.2- HONOURS AND DISTINCTION

Honours Programs

1. Honours programs provide students who have high level results in the first three years of undergraduate study with an opportunity to undertake the equivalent of one year full time extended study and gain supervised research experience which will enhance their abilities in their chosen field.
2. To be eligible for admission to an Honours program an applicant must have completed a three year undergraduate degree with results at a level prescribed in the detail of the program and approved by Academic Board.
3. Honours programs are offered on the basis prescribed in the detail of the program and may include an Honours Thesis and Honours units.
4. Honours programs will be graded in accordance with the system of recording results of assessment contained in Statute 5.3-Assessment, the Schedule Part 2.

Degrees with Honours

5. Degrees with Honours may be awarded to students who have completed four years of undergraduate study in recognition of their high level of academic achievement in a single program.
6. To qualify for the award of a Degree with Honours an applicant must have completed a four year undergraduate degree in the manner and with results at the level prescribed in the detail of the program and approved by Academic Board.
7. Degrees with Honours shall be graded in accordance with the system of recording results of assessment contained in Statute 5.3-Assessment, the Schedule Part 2.

Degrees with Distinction

8. Degrees with Distinction may be awarded to students who have completed a three year undergraduate degree or joint degrees with results at a level considered by Academic Board to be of merit.
9. To qualify for the award of a Degree with Distinction an applicant must have completed an undergraduate degree with results at the level prescribed in the detail of the course and approved by Academic Board.
