Thursday 7 May 2020

Dear Student,

I understand how difficult the COVID-19 pandemic is for you as an international student living in Australia, especially when you are away from your family during such a challenging time.

I have prepared a short video to let you know that we are committed to supporting you through this period with your studies, finances, and welfare.

Please take the time to [watch the video](#). You can also find information about [support for our students](#) on our website.

Best regards,

Professor Helen Bartlett
