

Draft 2021 Guidelines About Eligibility

Skills First Program

Department of Education and Training

PURPOSE

These Guidelines describe the *Skills First* eligibility requirements the Training Provider must apply in assessing and evidencing a student's *Skills First* Entitlement.

The Training Provider must have a clear and documented business process for determining a student's eligibility, as required by the VET Funding Contract (the Contract). This business process must include the collection of supporting evidence.

These Guidelines apply to all enrolments in *Skills First* subsidised training and must be read in conjunction with the Contract.

1. DETERMINING ELIGIBILITY FOR THE SKILLS FIRST PROGRAM

1.1. The Training Provider must assess a student's eligibility against the requirements outlined in this Section 1.

Citizenship/residency

1.2. A student must be either:

- a. an Australian citizen;
- b. a holder of a permanent visa; or
- c. a New Zealand citizen,

as evidenced by one of the documents described in the *Evidence of Eligibility and Student Declaration* form at **Attachment 1** to these Guidelines.

The 'upskilling requirement'

1.3. A student who is **20 years of age or older**¹, can only enrol in a program at a higher AQF level than the highest qualification level they will hold at the time when their training will commence.

1.4. A student does not have to meet the upskilling requirement if they are:

- a. enrolling in a program on the Foundation Skills List (**Attachment 2** to these Guidelines);
- b. enrolling in training as an Apprentice (not a Trainee) under an Approved Training Scheme;
- c. enrolling in training in the Victorian Certificate of Education (VCE) or Victorian Certificate of Applied Learning (VCAL) (Intermediate or Senior); or
- d. under 20 years of age.²

(this is subject to the further limits outlined in these Guidelines).

1.5. The following completed programs are not taken into account for the purpose of determining if a student meets the upskilling requirement:

- a. senior secondary school certificates³;
- b. programs on the Foundation Skills List;
- c. any VET certificates completed as part of a senior secondary qualification (including School Based Apprenticeships or Traineeships);
- d. programs with the title 'Course in...' (not aligned to a level within the AQF); and
- e. non-Australian programs, except where equivalency has been formally established with a qualification level within the AQF.

The '2 in a year' limit

1.6. A student (**regardless of their age**) may only commence a maximum of two *Skills First* subsidised programs in a calendar year.

1.7. The following scenarios are not counted when determining if a student meets this limit:

- a. transitioning from a superseded program to the current version of the same program;

¹ As at 1 January in the year their training will commence.

² As at 1 January in the year their training will commence.

³ Senior secondary school certificates includes the VCE, VCAL(Intermediate or Senior), International Baccalaureate (IB) Diploma, and senior secondary school certificates from other Australian jurisdictions.

- b. recommencing training in the same program (at either the same or a different provider);
- c. enrolling in an Apprenticeship (not Traineeship) after having participated in one of the Pre-Apprenticeship and Pathway Programs (**Attachment 3** to these Guidelines); or
- d. participation in:
 - i. '22469VIC - Course in Introduction to the National Disability Insurance Scheme';
 - ii. any program or skill set undertaken as part of the Department of Education and Training's (the Department's) 'Skills Uplift Pilot Program';
 - iii. '22510VIC – Course in Identifying and Responding to Family Violence Risk';
 - iv. HLTSS00067- Infection control Skill Set (Transport and Logistics);
 - v. HLTSS00065 - Infection control Skill Set (Retail); or
 - vi. HLTSS00066 - Infection control Skill Set (Food Handling).

The '2 at a time' limit

- 1.8. A student (**regardless of their age**) may only commence a maximum of two *Skills First* subsidised programs at any one time.
- 1.9. Participation in the following programs or initiatives will not be counted when determining if a student meets this limit:
 - a. '22469VIC - Course in Introduction to the National Disability Insurance Scheme';
 - b. any program or skill set undertaken as part of the Department's 'Skills Uplift Pilot Program'; or
 - c. '22510VIC – Course in Identifying and Responding to Family Violence Risk.'

The '2 at level in a lifetime' limit

- 1.10. In their lifetime, a student (**regardless of their age**) may only commence a maximum of two government-subsidised:
 - a. qualifications at the same level in the AQF; and
 - b. accredited courses with the title 'Course in...'
- 1.11. The following types of commencements are not taken into account when determining if a student meets this limit:
 - a. senior secondary school certificates;
 - b. programs listed on the Foundation Skills List (**Attachment 2** to these Guidelines);
 - c. any VET certificates undertaken as part of a senior secondary qualification (including School Based Apprenticeships/Traineeships);
 - d. transitioning from a superseded program to the current version of the same program;
 - e. recommencing training in the same program (at either the same or a different provider);
 - f. '22469VIC - Course in Introduction to the National Disability Insurance Scheme';
 - g. any program or skill set undertaken as part of the Department's 'Skills Uplift Pilot Program';
 - h. '22510VIC – Course in Identifying and Responding to Family Violence Risk';
 - i. HLTSS00067- Infection control Skill Set (Transport and Logistics);
 - j. HLTSS00065 - Infection control Skill Set (Retail); or
 - k. HLTSS00066 - Infection control Skill Set (Food Handling).

Eligibility for ‘Courses in...’

- 1.12. Programs with the title ‘Course in...’ are accredited nationally recognised training products providing skills recognition. ‘Courses in...’ are not aligned with the AQF, therefore when a student completes a ‘Course in...’ they receive a Statement of Attainment, rather an AQF level qualification.
- 1.13. To address ‘upskilling’ requirements, an individual who holds an AQF qualification no higher than Certificate IV is eligible to enrol in a ‘Course in...’ (subject to meeting other eligibility requirements).

Eligibility for Foundation Skills programs

- 1.14. A student is not eligible for *Skills First* subsidised training in programs on the Foundation Skills List (**Attachment 2** to these Guidelines) if they:
- hold an AQF qualification issued by an Australian VET or higher education provider that is at AQF level 5 (Diploma) or higher.
 - are enrolled in the Commonwealth Government’s ‘Skills for Education and Employment’ program.

Eligibility exemptions

- 1.15. The Training Provider may only exempt a student from the eligibility requirements in accordance with Part C of Schedule 1 of the Contract. The Training Provider must sight and retain evidence of a student’s eligibility to receive an exemption as specified in **Attachment 4** to these Guidelines.

2. SIGHTING AND RETAINING EVIDENCE OF ELIGIBILITY**Completing the *Evidence of Eligibility and Student Declaration* form**

- 2.1 Eligibility assessment processes must involve informative discussions with applicants, as well as comprehensive assessments of the circumstances against the eligibility requirements of the Contract, including any variations to that Contract.
- 2.2 Prior to the commencement of training, for each student who is assessed to be eligible, the Training Provider must complete the information and declarations in the *Evidence of Eligibility and Student Declaration* form at **Attachment 1** to these Guidelines.
- 2.3 The *Evidence of Eligibility and Student Declaration* form must be completed by an authorised delegate of the Training Provider, which is defined as:
- an employee/s of the Training Provider who has been formally delegated this function from the CEO or equivalent and written evidence of such a delegation is available at audit, or
 - a duly authorised agent of the Training Provider, and a legally binding agreement between the Training Provider and the agent is in place and available at audit.
- 2.4 The Training Provider must make available to the Department for audit or review purposes the completed *Evidence of Eligibility and Student Declaration* form and any of the evidence that is sighted and retained in relation to any individual student.
- 2.5 The evidence of eligibility specified in the *Evidence of Eligibility and Student Declaration* form must be sighted and retained by:

	Sighting:	Retaining:
a.	a hard copy original.	a photocopy or electronic copy of the hard copy original.
OR		
b.	a certified photocopy (not in electronic form) of the hard copy original. <i>(refer to Attachment 5 for information about document certification)</i>	a photocopy or electronic copy of the certified copy, or the original certified copy.
OR		

	Sighting:	Retaining:
c.	confirmation from a Gateway Service Provider ⁴ that it has connected to the Commonwealth Government's Document Verification Service (the DVS) ⁵ and verified that an individual's name, date of birth and document number match a current and valid record in the DVS.	a transaction record generated by securely logging in to the administrative platform provided by the Gateway Service Provider, that shows; <ul style="list-style-type: none"> the individual's name and date of birth; the type of document that was checked; and that their name, date of birth and document number were verified to match a valid and current document in the DVS.
OR		
d.	a digital green Medicare card displayed on a Digital Wallet through a Centrelink Express Plus mobile application on the cardholder's mobile device. The digital card may not be sighted via a screen shot of the card that is e-mailed or otherwise reproduced.	a written declaration attached to the student's file stating that the digital green Medicare card has been sighted. The declaration must include the: <ul style="list-style-type: none"> name of the authorised delegate who sighted the card; date the card was sighted; document number of the card; and name of the card holder.

Electronic completion of the *Evidence of Eligibility and Student Declaration* form

- 2.6 If the Training Provider completes, and has students complete, the *Evidence of Eligibility and Student Declaration* form electronically, it must ensure:
- that the information collected is exactly the same as that which would have been collected in hard copy; and
 - an electronic action equivalent to a signature is undertaken in any instance where a signature is required on the form.
- 2.7 If the Training Provider engages a Gateway Service Provider to access the DVS as part of obtaining and assessing evidence of eligibility and the DVS is unable to verify an individual's document, then the Training Provider must offer that individual the opportunity to provide their evidence of eligibility in an alternative format, prior to making an assessment of that individual's eligibility.

Relying on information obtained about a student for a subsequent enrolment

- 2.8 If the Training Provider has sighted and retained evidence of a student's citizenship and (where relevant) their age (in accordance with the requirements of the *Evidence of Eligibility and Student Declaration* form), it may use this evidence for any subsequent enrolments by that student, with only that Training Provider, provided that:
- the evidence has not expired when a subsequent enrolment occurs;
 - the information continues to be retained for audit, review or investigation purposes; and
 - the Training Provider makes all other assessments of the student's *Skills First* Entitlement for each subsequent enrolment.

⁴ A Gateway Service Provider is an organisation authorised to direct information match requests to and from the Commonwealth Government's Document Verification Service (the DVS).

⁵ The DVS is a national online system that allows organisations to compare an individual's identifying information with a government record.

Additional evidence to be sighted and retained for students under 17 years of age

- 2.9 Prior to enrolling a student who will be under 17 years of age at the time their training commences, the Training Provider must sight and retain evidence the student has been granted an exemption from school attendance as follows:

	If the student:	The Training Provider must sight and retain:	And ensure that it:
a.	has completed year 10	a copy of the signed and completed endorsement page from the 'Exemption From School Application Form'; OR correspondence or a certificate signed by the School Principal or a Department Regional Director.	identifies the Training Provider and the training to be undertaken; OR identifies the relevant employer if the student is to undertake an Apprenticeship / Traineeship.
b.	has not completed year 10	correspondence or a certificate signed by the Department Regional Director.	
c.	is not currently, or has never been, enrolled in a Victorian School (for example, students enrolled in home schooling, or students who have moved to Victoria from interstate or overseas)	correspondence or a certificate signed by the Department Regional Director.	

- 2.10 An exemption from school attendance is granted on the basis that the student will undertake a specific program at a specific training provider, as identified in the exemption.

If the student is still under 17 years of age and wishes to enrol in a different program or enrol at a different training provider to what is identified in their exemption, the approver of the exemption must confirm that the proposed change is permitted. The Training Provider must sight and retain this confirmation prior to enrolling the student in a different course, or prior to enrolling the student if they are not the training provider referred to in the original exemption.

Deeming a student to be eligible

- 2.11 Where a student's response to the *Evidence of Eligibility and Student Declaration* form indicates they are not eligible but based on a comprehensive discussion, the Training Provider determines they are eligible, it must evidence the reason why and retain this evidence.

For example: an individual (who has met all other eligibility criteria) indicates they have completed a Bachelor degree. This would suggest the individual is not eligible. However, through discussion with the student, the Training Provider identifies that the Bachelor degree is an overseas qualification and equivalency has not been formally established with an AQF level. The Training Provider may therefore enrol the individual in *Skills First* subsidised training, but must retain evidence for why the upskilling requirement is not applicable.

Proxy declarations for students in exceptional circumstances

- 2.12 In exceptional circumstances, where a student is unable to provide any of the evidence documents specified in the *Evidence of Eligibility and Student Declaration* form, the Department may accept a proxy declaration, in the form of a signed declaration by the CEO of the Training Provider or of a relevant government or community service provider attesting to the student's citizenship/residency and/or age status.

- 2.13 The Training Provider must make all reasonable efforts to help a student demonstrate their citizenship/residency/age status through providing one of the accepted evidence documents and a proxy declaration can only be used in exceptional and specific circumstances.
- 2.14 Proxy declarations will not be accepted where a student has simply been reluctant to incur the cost or inconvenience of obtaining relevant evidence documents.
- 2.15 The Training Provider must present a robust case to the Department for approval (via the enquiry function of the Skills Victoria Training System (SVTS)) for the proposed use of a proxy declaration.
- 2.16 If approval is received, the Training Provider must keep a copy of the proxy declaration and the Department's SVTS enquiry response for audit or review purposes.

How to have a document certified

Bring both an original and a copy of the original to the certifier.

The certifier will:

1. examine the original to ensure it is not a copy or forgery
2. examine the copy to ensure it is identical to the original. A copy can be considered identical even if it is a different size or colour, so long as that does not result in the loss of any material information.

The certifier will then write or stamp the copy with the words: "Certified to be a true copy of the original seen by me." They will sign and date the copy, and write or stamp their name, personal or professional address and qualification.

If there are multiple pages to the copy, the certifier will sign or initial and number all pages.

The copy has now been certified.
