Academic Skills Day

Starting uni can be daunting. The research. The essays and reports. The online systems. We get it.

Our **Academic Skills Day** will give you the head start you need. You'll meet the Learning and Academic Skills Success (LASS) team and get to:

- practise essential academic skills
- pull apart assessment tasks
- meet other students
- explore Moodle (online study platform)
- learn time-management strategies
- find out about our study support services.

Plus, we'll throw in a free lunch.

At uni, preparation is key.
