Starting uni can be daunting.
The research. The essays and
reports. The online systems. We get it.

Our Uni Skills Day will give you the head start you need. You'll get to:

- practise essential academic skills
- pull apart assessment tasks
- meet other students
- explore Moodle (online study platform)
- learn time-management strategies
- find out about our study support services
- learn about career and employment services.

At uni, preparation is key.
