

## Coronavirus response - Federation University Australia

Tuesday 4 August 2020

Dear Student,

As Victoria moves under tighter COVID-19 restrictions, Federation's Transition Control Group has been working with the Victorian Government to assess which essential and educational activities can continue on campus during the stage 4 restriction period in Melbourne, currently scheduled to end Sunday 13 September.

Below is a summary of any changes to operations over the next six weeks. These decisions have been made to protect the safety of everyone at the campus.

### Berwick Campus operational changes

In response to [stage 4 COVID-19 restrictions](#) in Melbourne, we are limiting on campus students at Berwick Campus to the following essential activities:

- Nursing clinical pracs
- Friday's Community Pantry to support our international students

**All other activities are closed** including the student Learning Spaces in the Library, with impacted students receiving assistance to seek appropriate computer support for the next six weeks.

These arrangements will be in place until the end of the stage 4 COVID-19 restrictions, which is currently Sunday 13 September.

### Support for students

We would like to remind you of the student support services available to you – browse your [academic support options](#), explore the [health and wellbeing services](#) provided, and if you are feeling anxious or distressed, talk with a Federation University counsellor free of charge, via phone or online. Get emergency contacts and learn how to [make an appointment here](#).

Stay safe, and continue to monitor your email for further updates.
