

Advance to University

Reach your full potential

Advance to University is your opportunity to study first-year university units as part of your VCE.

As the #1 rated Victorian university for student support* you'll learn from Federation University academics who will help you develop your knowledge and gain confidence in the university environment. This program is ideal for students aspiring to attain an ATAR of 60 and above.

How it works

- Choose from a range of paired university units, including business, health, education, maths, physiology, biology and IT.
- Your final score in your Advance studies (two units) may result in an additional ATAR increment. Please note, only one higher education study (two units studied over two semesters in one year) is approved in the VCE and for your ATAR increment.
- You won't pay or incur a Higher Education Contribution Scheme (HECS) debt for any of the university units you study. However you may need to factor in text books and other costs for learning resources.
- Successful completion provides entry to Federation University and credit for both subjects in your first year of study. Entry to some courses may also be subject to additional requirements (e.g. ATAR, VCE pre-requisites).
- Each unit is delivered via flexible online learning, alongside an on-campus orientation session and a number of on-campus enriched learning experiences each semester.
- Students attend an academic preparation program in February, before commencing university studies in March.

Choose your university study area

You can select university studies from the following areas, based on your interest and the course you wish to pursue:

- Business
- Criminology and Criminal Justice
- Education
- Engineering
- Exercise and Sport Science
- Humanities
- Information Technology
- Mathematics
- Nursing
- Psychology
- Science

Please see the **Advance to University Study Options** table on the following page for more information.

Your university experience

When enrolled you will receive a University Student ID card and access to:

- On-campus enriched learning experiences to connect with staff and like-minded students
- Access to your local Federation Campus Library and the wide range of resources available
- Access to the University's Learning Skills Advisors
- On-campus activities and more

How to apply

- Select your university unit pair, ensuring you have the necessary VCE pre-requisites / co-requisites
- Complete the Direct Application form available from [federation.edu.au/advance-to-university](https://www.federation.edu.au/advance-to-university)
- Email your completed application form to: admissions@federation.edu.au

Study Areas	Unit Pair (Unit Name / Code)	Semester	VCE pre-requisites	Federation Course with Credit Pathways
Business	Introduction to Marketing (BUMKT1501)	1	Students will have completed or be concurrently enrolled in Units 3 and 4 Business Management	Bachelor of Business
	Consumer Behaviour (BUMKT2602)	2		
	Principles of Accounting and Finance (BUACC1508)	1	Students will have completed or be concurrently enrolled in Units 3 and 4 Accounting or Economics	Bachelor of Professional Accounting
	Principles of Economics (BUECO1509)	2		
Humanities Criminology and Criminal Justice	The Sociological Imagination (SOSCI1002)	1	Students will have completed or be concurrently enrolled in Units 3 and 4 Sociology	Bachelor of Community and Human Service Bachelor of Criminology and Criminal Justice
	Interpersonal Communication for Professional Practice (CHSUG1002)	2		
Education	Understanding University Learning (ATSGC1369)*	1	None	Diploma of University Studies ** Bachelor of Education (Primary) Bachelor of Education (Early Childhood) * Undertaking these two units may provide credit towards any degree that has two electives in the first year
	Knowledge and Professionals (ATSGC1370)*	2		
	Teaching and Learning with Digital Technologies (EDBED1015)	1	None	Bachelor of Education (Early Childhood) Bachelor of Education Studies Bachelor of Education (Primary) Bachelor of Education (Early Childhood & Primary) Bachelor of Education (Primary & Secondary P-10)
	Child and Adolescent Development and Characteristics (EDBED1017)	2		
Science	Principles of Biology (SCBIO1001)	1	Students will have completed Units 3 and 4 Biology	Bachelor of Biomedical Science Bachelor of Conservation and Environmental Science Bachelor of Veterinary and Wildlife Science Bachelor of Education (Primary)
	Systems Biology (SCBIO1020)	2	Students will have completed Units 3 and 4 Biology	
Nursing Psychology Exercise and Sport Science	Anatomy and Physiology for Health Professionals 1 (HEALT1111)	1	Students will have completed or be concurrently enrolled in Units 3 and 4 Physical Education	Bachelor of Nursing Bachelor of Nursing / Bachelor of Midwifery Bachelor of Exercise and Sport Science Bachelor of Education (Primary)
	Anatomy and Physiology for Health Professionals 2 (HEALT1112)	2
