

Contract Notification

CN No.	2022-10	Date: 12 July 2022
To:	Chief Executive Officer or equivalent	
Purpose:	General Information	
Scope:	All 2022 VET Funding Contracts (version 3.0)	
Subject:	2022 training provider survey is open	

Purpose

This Contract Notification is to advise training providers that the Department of Education and Training (the department) has today released an annual training provider survey.

Background

We've released our first annual training provider survey about how effective we are in supporting you to deliver Skills First training under the VET Funding Contract (the Contract). It is an objective way for us to know more about how our work is received and what areas we could improve.

Main Points

Answering the survey

- Follow this [link](#) to answer the survey.
- The survey will take about 10 minutes to complete
- The survey is open to all training provider staff that work closely with the Contract
- Your responses will be anonymous
- The survey closes at close of business on Tuesday, 26th July 2022
- We will undertake the survey annually

Out of scope

The survey does not include questions about government policy, policy settings in the Contract nor the operational processes the department uses for managing the Victorian VET system. There are also no questions about the department's audits. We already send a standard post-audit survey to training providers each time they are audited.

Committing to actions

We are committed to act on the feedback we receive. The actions we intend to take will be published on SVTS.

While we will consider all your responses about data reporting, there is limited action we can take to change our data collection requirements as we are signed-up to a national data reporting standard that dictates our work.

If you have a question about the survey, you can contact us with an SVTS enquiry, using the category 'training provider survey'.

Critical Dates

The survey closes at close of business on Tuesday, 26th July 2022.
