

Hi! My name is Charli and I am applying to be a Student Representative from The Institute of Education, Arts and Community.

I have recently finished my term as president of Greenroom, the student association on camp street and I am eager to continue being involved with the community in a big way.

Throughout my time at Fed Uni, I have come to know my fellow students very well and I believe I have a strong understanding of the wants and needs of my peers. I am a highly disciplined and organised person, but ultimately I think I would be the perfect person for this role because of just how much I love our community.

Going to uni everyday is what puts a smile on my face and it would truly be a privilege to represent all of the incredible people I study with.
