

Revised clauses

Implemented administratively from 1 January 2014

Clause 80

Tools, materials and licences (Trades and Services employees only)

- 80.1** The University shall supply and replace all tools and materials necessary for the work required to be performed by employees. The supply and replacement of such tools will be at the discretion of the relevant supervisor.
- 80.2** Where it is necessary for an employee in accordance with his/her position description to perform specific tasks that require a formal qualification/licence, e.g. skid-steer, front-end loader, traffic management, forklift, working at heights, bus licence, the University will pay for fees involved in obtaining the necessary qualification.
