This Code of Conduct (the Code) outlines the standard of behaviour expected of students of the University whilst on placement. It is designed to assist students to understand their responsibilities and obligations and provide guidance on expected behaviours whilst on placement with an Organisation.

The Code does not seek to encompass all possible scenarios arising in the context of a placement however, it provides a set of principles to guide students on acceptable and unacceptable behaviour.

The Code should be read in conjunction with University legislation, policies, procedures and workplace agreements.

2. Ambassadorship

Acting as an ambassador for the University is an important part of any placement. The University encourages students to act in a professional manner at all times. This may include:

- b. ensuring that supervisors are aware of the student's location;
- c. obtaining permission before leaving the usual placement location;
- d. arriving punctually, and delivering work in accordance with the Organisation's deadlines;
- e. being enthusiastic and acting as a member of the team;
- f. respecting the Organisation's property and fellow workers; and/or
- g. complying with the Organisation's dress code, or, where appropriate, wearing the correct University uniform.

3. Hours and Attendance

In keeping with the experience of workplace life, students will generally keep the same hours as their accompanying salaried staff. This might mean that, in some weeks, students may work additional hours. However, over the duration of the placement the total hours worked should not exceed the Organisation's standard hours.

Prior approval is required from the University if the student is required, or wishes, to work in excess of the Organisation's standard hours.

4. Security and Confidentiality

It is of utmost importance that you maintain the confidentiality of the Organisation's information. Your Organisation may ask you to sign a Confidentiality Deed. You should read this carefully and are encouraged to obtain your own independent legal advice before you sign it. If you decide not to sign, then you must advise the University representative as soon as possible. Remember that you must not discuss the Organisation's confidential information with any other person. If you feel like you need to talk to someone about your experiences on placement, you can contact the University counselling services.

You are also required to adhere to the Organisation's procedures and standards surrounding access to, and use of, passwords, keys, documents and technology (including computers). You must not use the Organisation's facilities or materials for your own personal benefit. Always seek permission before accessing materials or equipment.

Please contact your Institute if you have any questions about the Code, or about the University's expectations for student behaviour whilst on placement.
