4.2 Nomination form

To nominate an alumni member for an Alumni Award, the Alumni Awards Nomination form must be completed in full, signed and all supporting documentation provided by the closing date.

Nomination forms can be submitted to the Federation Alumni Office via email, post or hand delivered. All nomination forms and supporting documentation must be received by the closing date to be considered.

5. Alumni Awards Assessment and Selection

5.1 In the event that no alumni member meets the selection criteria for an award category, the University is not obliged to allocate an award in that category during that particular calendar year.

5.2 Previous recipients of a Federation University Alumni Award are not eligible to apply.

5.3 Nominations that do not provide the required nomination form and supporting documentary evidence by the due date to the Alumni Office will be ineligible. No responsibility will be taken for delivery to an incorrect address.

5.4 The selection process will be administered by the Federation Alumni Office and the Alumni Awards Selection Panel. Final endorsement will be required from the Vice-Chancellor and President.

The selection process will be reviewed annually.

5.5 Upon completion of the above selection process the Federation Alumni Office will contact the successful nominee(s) and notify them of the outcome.

In the event of a successful nominee declining an award, the Selection Panel can elect to nominate a replacement candidate to the Vice-Chancellor and President for final endorsement.

5.6 Upon endorsement by the Vice-Chancellor and President, all award recipients will be presented with their awards at an awards ceremony.

6. Conditions of the Alumni Awards

6.1 Award recipients must formally accept the nomination in order to receive an Alumni Award, and in doing so, accept the conditions of the Alumni Award.
