

## Coronavirus response - Federation University Australia

Friday 17 July 2020

Dear Student,

Earlier this week we shared our [Three-stage plan to a safe start on campus](#) with you, and advised that we are currently in stage one.

Timetables have been revised in line with this plan, and will be updated in your [MySC account](#) by Monday next week.

Your classes will be a blend of online and on-campus activity.

- Lectures and tutorials will remain online whilst we are in stage one. These will be scheduled in your [MySC](#) timetable, and you are encouraged to participate in your online activity at these times.
- Your practical classes will be delivered on campus and your timetable will reflect when you need to attend campus; in some instances, these sessions will be conducted in block mode rather than on a week by week basis. Please check your timetable each week, as the timing or the location of your class may change from week to week. Further information and advice will be provided via [Moodle](#) directly from your course coordinator.

Please refer any questions to your course coordinator and continue to regularly check [Moodle](#) for any further advice.

You must complete our 'return to campus agreement' prior to coming on campus. This will be sent to you via email prior to your commencement on campus, and should take less than two minutes to complete - you will only need to

complete this once.

We thank you again for your patience whilst we have worked through the timetable, and executed the required changes.
