

Coronavirus response - Federation University Australia

Wednesday 5 August 2020

Dear Student,

The following is important information for Federation TAFE students about the introduction of stage three restriction for regional Victoria and stage four restrictions for Melbourne. These Victorian Government restrictions are a direct response to the significant increases in new COVID-19 cases and designed to stop the spread of the virus. Federation TAFE is also committed to helping combat the spread of COVID-19.

Students living in an area under stage three restrictions

Regional Victoria (Ballarat, Horsham, other)

- If your course is currently being delivered online, this mode of delivery will continue until further notice.
- A small number of additional courses will be moved to online mode. Impacted students will be contacted by the TAFE course administrator directly, with further detail about the temporary change to course delivery.
- If you are currently attending restricted face-to-face delivery on campus, and you do not reside in a stage four area, you can continue to do so. Your course has practical training and assessment that cannot be undertaken online. All necessary COVIDSafe measures are in place to ensure the safest possible environment for staff and students; please remember to wear a face covering, as per the current government requirements.

Please be assured that Federation TAFE will work with you to complete all aspects of your training.
