

# Paid Placement Guarantee

## Terms and Conditions

The Paid Placement Guarantee (**'Guarantee'**) is intended to assist international coursework students at Federation University Australia (the **'University'**) who are enrolled in courses which require mandatory placements for course completion. Eligible students are provided financial support for placements undertaken within Australia.

### Eligibility

To be eligible for the Guarantee, international students must meet the following criteria:

1. Enrolling as a commencing student in 2025 (not a study abroad, exchange or online student) in one of the eligible coursework courses that requires mandatory placement (described below).
2. Enrol in the mandatory placement units as part of an eligible coursework course.
3. Possess a valid VISA which permits you to study in Australia for the duration of the eligible coursework course.
4. Meet the additional terms and conditions as set out below.

### Amount

At Federation, paid work placements are integrated into your study through our Co-operative education model (**'Co-op'**). With our Paid Placement Guarantee, eligible students receive a minimum payment for the placement hours required in your course –\$10,000 for undergraduates and \$5,000 for postgraduates.

### Application

There are two categories of courses for the application of the Guarantee:

1. Industry Paid Placement
2. Paid Placement Scholarship

#### Industry Paid Placement

The below-listed courses incorporate paid industry placements within their course structure. In these courses, the University arranges placements for students through our network of industry partners.

Payments are made by the industry partner directly to eligible students.

The University fulfills the requirements of the Guarantee for this category by providing eligible students with the opportunity to participate in paid industry placement(s) as part of their course.

The University will not provide any additional payments to students beyond, or in lieu of, paid placement requirements specified in these courses.

### **Paid Placement Scholarship**

The below-listed courses require a mandatory unpaid placement for course completion, which do not involve any monetary payment by the industry host to the participating student.

Under the Paid Placement Scholarship, the University will pay scholarship payments directly to eligible international students as they enrol in the mandatory placement units within the below-listed courses.

Payments will be disbursed according to a schedule determined by the University and may be subject to adjustments based on placement status and other relevant factors.

Payments will be made by the University:

- after census date of each term within which the student completed a mandatory placement unit; and
- are made in equal instalments over the duration of the course, as dictated by the course study plan and enrolment by students in placement unit/s within courses (see below *Bachelor of Nursing* example).

No further payment will be made to eligible students after the maximum value of the Guarantee under a Paid Placement Scholarship has been paid (*up to \$10,000 for eligible undergraduate courses and up to \$5,000 for eligible postgraduate courses over the duration of their course*).

The courses eligible for the Paid Placement Scholarship are as follows:

Bachelor of Education (Early Childhood Education)	TK5	107828M

### **Example of payment structure for a Bachelor of Nursing student –**

There are 6 placement units within your course:

- Year 1, Semester 2
- Year 2, Semester 1
- Year 2, Semester 2
- Year 3, Semester 1
- Year 3, Semester 2

The payment of the guarantee will be distributed equally over the life of the course (in this case 5 x \$2000 payments).

**IMPORTANT:** Payments will be made after census date each semester/term and students need to remain enrolled in the unit at census date each semester/term to receive payment.

Where there is two mandatory placement units in a semester only one will attract a scholarship payment.

Once the value of the guarantee has been reached no further payments will be made.

## **Obligations and Responsibilities**

Student Responsibilities:

- Students must adhere to all course placement requirements and University guidelines.
- Enrol as required into placement units for course completion as per the course study plan.
- Students must notify the University of any changes to their placement or enrolment status, or issues that may affect their eligibility for the Guarantee.
- Students are required to keep their bank account details up to date.

University Responsibilities:

- The University will provide guidance and instruction on student actions required to ensure payments are made in line with enrolment in placement units.
- The University will ensure the timely processing and disbursement of scholarship payments in accordance with these terms.

## **Termination and Withdrawal**

- The University reserves the right to terminate the Guarantee if the student does not comply with these terms and conditions, complete the placement, or engages in misconduct.

### **Amendments**

- The University reserves the right to amend these terms and conditions at any time. Students will be notified of any significant changes to the Scholarship terms.

### **Dispute Resolution**

Any disputes regarding the scholarship or its terms will be managed in accordance with the University's complaints management procedure.

### **Contact Information**
