Elective options change from time to time. Please check this each semester.

Please complete the Introductory units (numbers 1000-1999) first, then Intermediate units (numbers 2000-2999), then Advanced units (numbered 3000+).

At the beginning of the second year, you can apply to transfer to another undergraduate Education course at Federation University, where you can qualify as a teacher and gain registration with VIT. Please note that students must have successfully completed 8 units in the 1st year of the Bachelor of Education Studies and have a credit average to be eligible for transfer.

Course Requirements

Students will need to apply for a Working with Children Check (WWCC) card before commencing their course. A copy of the WWCC card must be supplied to the University prior to commencing professional experience placements. More information can be found at the WWCC website.
