Occupational Health and Safety

This WorkSafe approved course provides refresher training of workplace Health and Safety Representatives (HSRs) and Deputy HSRs, and has a general focus. (Course Code: WGH)

HSR Refresher OHS Training Course

Are you a Health and Safety Representative, Manager or Supervisor?

This course is aimed at those who have completed the initial course of training from any industry.

The course is not assessed against competency criteria but is intended to help HSRs understand and exercise their powers effectively, and to help make their workplace safer. Although HSRs and DepHSRs are the primary audience, managers, supervisors, health and safety committee members and anyone with an interest in health and safety may also benefit from attending the course.

Delivery

The course is conducted in one day, 9am - 5pm. WorkSafe approval criteria requires attendance in the classroom for the full day. A certificate of attendance will be issued once you have completed training.

Classes will be delivered at FedUni’s Mt Helen Campus (Ballarat) and at other venues including in Horsham, Stawell and Churchill (Gippsland). Enquiries from other regional areas will also be considered depending on demand. Direct delivery to a workplace or other training facility may also be arranged at competitive rates for your business.

Course dates

Please visit federation.edu.au/viosh for upcoming course dates and a current registration form.

Objectives

The learning objectives of the course are to enable:

- Interpreting the OHS legislative framework and its relationship to the HSR
- Identifying key parties and their legislative obligations and duties
- Establishing representation in the workplace
- Participating in consultation and issue resolution
- Representing designated work group members in any OHS risk management process undertaken by the appropriate duty holder/s
- Issuing a Provisional Improvement Notice (PIN) and directing the cessation of work.
