

Application: LE22-EOI--0000000004

Helen Partridge - helen.partridge@monash.edu
VicLIEF EOI 2022 (LE22)

Summary

ID: LE22-EOI--0000000004

VicLEIF EOI (LE22)

Completed - 30 Nov 2020

Form for "VicLEIF EOI (LE22)"

VicLIEF EOI (LE22)

Basic Info

SUMMARY

Project Title

VicLIEF EOI Exemplar

Name of Administering Organisation

Monash University

Domain

Biology

LIEF Grant Duration

1 year

Is the infrastructure/equipment available in Victoria?

Please check the [LIEF register](#).

No

Description of the research equipment/infrastructure to be purchased

Piece 1 - What it does, the specification needed, manufacturer and distributor (if known), where it would be located.

Piece 2 - What it does, the specification needed, manufacturer and distributor (if known), where it would be located.

Piece 3 - What it does, the specification needed, manufacturer and distributor (if known), where it would be located.

Existing Platforms

EXISTING PLATFORMS/FACILITIES

Can the equipment/infrastructure be accommodated into an existing platform or facility?

Yes

Which platform or facility will accommodate the equipment/infrastructure?

Facility Z, Monash University

Has the platform or facility manager been consulted?

Yes

Name of platform or facility manager

Dr Delta Jones

Investigators

INVESTIGATOR TEAM

Investigator Team

Project Description

PROJECT DESCRIPTION

Outline the significance of the research to be supported by the proposed equipment/infrastructure

This section is aligned to the 'Project Quality and Innovations' section of the ARC LIEF Project Description.

Outline the:

- aims and significance of the research that will be supported by LIEF funding;
- relevance of the proposed research infrastructure to the needs of ARC and other competitively funded research projects/programs;
- importance of equipment for the training of research students;
- enhancement of support for areas of existing and/or emerging research strength; and
- demonstrated national or international focus for large scale cooperative initiatives.

Outline the need and use of the proposed equipment/infrastructure

This section is aligned to the 'Suitability/Need' section of the ARC LIEF Project Description.

Outline the:

- demonstrated needs from the researchers and/or research projects that they will utilise the proposed research infrastructure, including level of demand and likely measurable impact on the research program, including beyond the project activity period;
- availability of and access to similar research infrastructure at organisational, regional, national and/or international level;
- planned rate of use of the proposed research infrastructure, including proposed arrangements for broader access to individuals not named on the application;
- alignment of the planned use with other similar existing infrastructure within Australia and/or internationally; and
- special needs for regional or otherwise remote institutions.

What is the nature of the alliance and commitment between the organisations participating?

This section is aligned to parts of the 'Feasibility and Strategic Alliance' section of the ARC LIEF Project Description.

Describe the:

- relevance of the research to the strategic priorities of the organisations;
- evidence that each of the organisations is genuinely committed to, and prepared to collaborate in, the project;
- existing or planned strategic research alliances between the higher education organisation(s) and other organisation(s); and
- effectiveness of cooperative arrangements for the management and sharing of the proposed research infrastructure, including arrangements for ongoing operational expenditure where applicable.

Please outline the access arrangements for:

1. Participants

2. Researchers not associated with the proposal

3. Industry

This section is aligned to the 'Research Infrastructure Arrangements' of the ARC LIEF Project Description.

Please set out the agreement between you and each organisation named in your application for the following:

- 1) the terms and conditions of access for participants named on the application;
- 2) the terms and conditions of access for researchers not associated with the application; and
- 3) industry

Budget

BUDGET

Cost

Please enter currency values with no commas or cents.

	Item	Do you have a quote?	\$ Cash cost	Location
1	Widget A	✓	500000	Monash
2	Widget B	✗	200000	Deakin
3		✗		
4		✗		
5		✗		
Total			700000.0	

Funding

Please enter currency values with no commas or cents.

	Organisation	\$ Cash contribution	\$ In-kind contribution
1 ARC	ARC	400000	0
2 Admin Org	Monash	170000	50000
3	Deakin	100000	20000
4	Industry	30000	0
5			0
Total		700000.0	70000.0

ARC Funding Disbursement

Please enter currency values with no commas or cents.

	Organisation	\$ ARC to be received
1 Admin Org	Monash	300000
2	Deakin	100000
