Applications are invited from students normally resident in the United Kingdom wishing to undertake a higher degree at an Australian University for a period of up to three years. Applicants must show their eligibility for an Australian postgraduate programme. Please see more [here](#).

There are no limits on the field of study but applicants must demonstrate a clear reason for the study to be undertaken in Australia. **The Trustees particularly welcome proposals for PhD and research-based Masters programmes. Recently funded projects can be viewed [here](#).**

The Scholarship provides:

- a student economy class return airfare to Australia
- payment of compulsory course fees at an Australian University
- standard OSHC health insurance
- visa cost
- a stipend of up to A\$33,000 per annum (paid quarterly)
- a one-off establishment cost payment of A\$2,000

Application forms and further details are available via the contact details above. Award granted in October 2022 for study commencing any time in the following 12 months.
