

## Kim Curwood

Hi, my name's Kim and I'm applying for the student Senate as a mature age student. I'm in first year of the Bachelor of Nursing and I want to make a difference. I want to be a voice for our nursing students to challenge myself.

I'm a mum of three boys, primary age school boys, and I would like this opportunity to make a difference to for people who have some things that they'd to see happen but maybe don't have a voice themselves and aren't confident.

So, I would like to have the opportunity to be on the student Senate and hopefully I will learn more about it and be a voice for everyone as well as challenging myself for this position.

So, thank you for listening and let's see what happens.

Thanks.
