

This invitation is extended to all Staff and HDR Students

Research Workshop

Centre for Informatics and Applied Optimisation

Authorship: Learn about the research process, integrity and ethics in publishing

Speaker: Alex Liu Yipeng, IEEE

Time: 11.30am – 1.00pm

**Venues: Mt Helen: Room F301, Churchill: Room 1S210,
Berwick: Room 901-140**

The workshop will provide an opportunity to learn about what you as a researcher need to be aware of when collaborating and publishing.

Topics to be covered include:

- Research process: the workflow
- Tools for research: Literature review, reference management, publication updates, etc.
- How to prepare the manuscript: Audience, paper structure, data, ethics, etc.
- Publishing process: Submission & Review
- Open Access options
- Beyond getting published: What's next?

Panel discussion - “Some secrets of the trade!”

12.30pm - 1.00pm - Panel discussion with FedUni Academics **A/Prof Andrew Stranieri, Dr Mehmood Chadhar**, and **IEEE Representative** to discuss further authorship, integrity and ethical issues.

People are welcome to email any questions (including practical and theoretical) for the panel to answer to h.wade@federation.edu.au

Lunch (Supplied by FedUni IEEE chapter)

1.00pm - 1.30pm, **RSVP for catering purposes to h.wade@federation.edu.au**

The workshop is relevant to all Academic Staff, HDR Student and other interested people.

This invitation is extended to all Staff and HDR Students

Research Workshop Two

Centre for Informatics and Applied Optimisation

Techniques for effective research with IEEE Xplore

Speaker: Alex Liu Yipeng, Client Services Manager, IEEE

Time: 1.30pm (1-1.5 hours)

**Venues: Library Skills Room 2, Ground Floor, Mt Helen
Room 1S210, Churchill**

The workshop will provide an opportunity to learn about techniques for effective research with IEEE Xplore and will include

- Introduction to IEEE
- IEEE Publication: Content & Quality
- IEEE Digital Library Demo: Interface, features, article view, export, personal account, content alert etc...
- Open Access
- Q & A session

About the speaker: Alex Liu Yipeng and his official title is Client Services Manager. He is a trained Librarian and has worked at the National Library of Singapore where he trained staff and students

The second workshop will include presentation, demonstration and discussion and is relevant to all Academic Staff, HDR Students, Library and other interested people
