Conditions

Scholarships are available for international students only.

General conditions of HDR Scholarships at FedUni can be found [here](#). Where these conditions differ to those on this form, the conditions outlined for this specific scholarship take precedence.

Eligibility to undertake a PhD

To be eligible to undertake a PhD, students must meet eligibility requirements outlined on the Research website [here](#). If you are applying for "[Honours equivalence](#)," please ensure that you provide detailed information to support your case.

Referees

Please nominate two referees who can comment on your academic/scholarly/research experience and capacity. Referee reports must be returned to the Graduate Research School by **2 September 2019** for your application to be considered. Any application without referee reports will not be forwarded for consideration.

Statement

All prospective candidates are required to provide a **500 word statement** covering the following areas:

- Discuss your motivations for applying for this PhD scholarship, and your intended outcomes (both for yourself (personally and professionally).
- Explain why you are interested in the project you selected.

Please list all documents provided, including supporting information:
