COVID-19 Incident Notice

Dear Student,

Building H at Federation TAFE, Ballarat has undergone deep cleaning and disinfecting, to ensure that the campus is safe, following a student testing positive to COVID-19.

In accordance with government regulations, we have received certification that the cleaning conducted is to the standard required to respond to a COVID-19 incident.

We are pleased to advise that building H will reopen on Friday 14 August to those approved to be on campus.

Please remember, for the majority of Federation University Australia's staff and students, work and study continues from home.

Please visit the [DHHS website](#) for information on how to stay safe, symptoms and testing locations, as well as the current restriction levels in Victoria.

Thank you to the staff coordinating the response to keep our campuses a safe environment.
