3. In the Location section, narrow the list of available rooms by entering values into the filters:

- Minimum Capacity (Mandatory)
- Campus (Optional)
- Building (Optional)
- Space Type (Optional)

You can use any combination of filters that suit your requirements. However less detail is better if you are having trouble locating the room.

4. Click on 'Click here to view filtered spaces' button to view rooms matching the selection criteria entered into the filters.

If you require a specific room it may be selected here by selecting the check box to the right of the room details. Otherwise all rooms will be searched and returned based on their availability at the day/time you have specified.

If the room you have selected is not appearing in the filtered spaces list, you may need to re-adjust your filters accordingly.

This list does not indicate if the room is free only that it is a bookable location.
