

# Funded Opportunities Program

FEBRUARY – JUNE 2025

## IN-PERSON WORKSHOP: EVALUATING THE IMPACT OF TEACHING TO IMPROVE LEARNING OUTCOMES

### DESCRIPTION

The Victorian Skills Authority (VSA) funding to the VET Development Centre (VDC) to deliver workforce development training to improve the knowledge, skills and practice of VET teachers, trainers and assessors, and strengthen the learning environment, experience and outcomes for all VET learners.

This VET Teaching Practice workshop will draw on educational theory and VET policy to promote reflective practice and build advanced training and assessment skills. These are specific professional learning programs for the Victorian Government funded vocational education sector in priority areas, as a response to the Government's commitment to quality training outcomes.

### LEARNING OUTCOMES

- This workshop enables participants to:
- Contribute to the development of assessment tools or modify existing tools to suit student needs and context.
- Employ a range of methods to ensure validity and reliability in assessment decisions.

#### Objectives:

- Use a range of suitable assessment methods and tools consistent with regulatory standards and requirements
- Evaluate and improve assessment.

### AUDIENCE

This workshop is designed for Skills First teachers (trainers and assessors) with a Skills First 2024-2025 VET Funding Contract and is aligned to the following domains and related capabilities/learning outcomes as prescribed in the VET Practitioner Capability Framework (IBSA 2013): Teaching | Assessment | Systems & Compliance

### WORKSHOP INCLUDES

Morning Tea, Workbook, Certificate of Attendance & Digital Badge

### FACILITATOR: MARIA ANDREWS

Maria Andrews has over 15 years of experience in learning and development successfully recruiting, building talent, and coaching new leaders for the future. She is an enthusiastic facilitator with a keen interest in sociology and innovations in teaching practices.

Her authentic leadership and drive to learn and understand new concepts sees her teach by example – modelling her critical questioning and shared learning approaches with her students. Her unique teaching style creates a safe and welcoming learning space where students can immerse themselves in the learning process and explore different viewpoints together.
