How to use the Web Timetable

Follow these step by step instructions for how to best use the new Web Timetable to search and view class times and locations.

You can access Web Timetables by clicking on the ‘Timetabling and Room Bookings' link in the ‘About Us’ menu on the Federation University homepage and then selecting ‘Timetables'. Or by accessing the following link: https://scheduling.federation.edu.au/timetable2017

The timetable will reflect updates made to scheduled activities within 10 minutes.

If you have any queries, please contact Timetabling via email timetabler@federation.edu.au or via phone 5327 8084.

Step 1: Timetable View Option and Filters

From the left hand side of the page, select the timetable you wish to view and select the relevant filter options.

The timetable options are listed below:

| Staff          | Displays the timetable for all Courses/Units allocated to the selected Staff Members.  
*Filter Options:* Department, Staff (can use refine search to filter Staff options further), Weeks/Semester, Days and Time Period. |

**Step 2: Select a Report Type**

The system is able to display timetables in the following three different formats. Select the format you wish to view the timetable in:

<table>
<thead>
<tr>
<th>List Timetable</th>
<th>Grid Timetable</th>
<th>Master Timetable</th>
</tr>
</thead>
</table>
| Provides a view of the class days, times and locations in **list** form. | Provides a view of the class days, times and locations in **grid** form | Provides a view of the class days, times and locations of **multiple** locations/staff in **grid** form.  
**NOTE:** Master timetable can only be selected for Locations and Staff Timetables. |

**Step 3: Press the View Timetable button**

**List Timetable**

When you press View Timetable in List view the resulting page will look similar to the following example:

Step 4: Understanding and Searching the Timetable

Reading the Timetable

‘Class Activities’
The information in the Class Activity has the following format:

```
<table>
<thead>
<tr>
<th>Course</th>
<th>Term</th>
<th>Campus</th>
<th>Class</th>
</tr>
</thead>
<tbody>
<tr>
<td>Code</td>
<td>Semester</td>
<td></td>
<td>Type</td>
</tr>
<tr>
<td>EDBED1009_2_CHLL_LEC/01</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
```

The class above is course EDBED1009 which runs in Semester 2 at Churchill Campus. This class is a Lecture and it is Class 1.

‘mySC Number’
If a class has been created in mySC, the class number is location in this field.

‘Status’
The status field shows as ‘Tentative’ if the class has been set as Tentative in mySC. This means that no student will be able to enrol into this class in mySC.

Sorting the Timetable (List)

In the list view, you can sort the timetable by a column in descending or ascending order by clicking on the heading.

Searching the Timetable (Grid and List)

To search for specific classes in grid and list view, type a keyword to refine the timetable information further.

Search Tip: You can search any information displayed on the timetable to refine the list.

Some examples include:
- Class Types (Lecture, Tutorial…)
- Locations (T101…) Day (Wednesday…)
- Staff names (Ian…)
- Start time (3:00…)
- Any combinations of keywords separated by a space (‘Lecture Wednesday’…)

Exporting Timetable to Excel (Grid, List or Master)

To export the data into an Excel spreadsheet, press the ‘Download to Excel’ button on the top right hand side of the screen from either the Grid, List or Master timetables.

Once you press the ‘Download to Excel’ button the timetable will open in an Excel spreadsheet.

If you have filtered the timetable results based on information entered in the search field (as shown above). Only this information will appear in the timetable.

From the Excel spreadsheet you will be able to format/filter the data in the timetable as required.

If you wish to print the timetable, this is best done from Excel.

Merging/Splitting Timetables (Grid and List)

When you select one or more values in the filters and press the view timetable button. One timetable will be displayed for each object (e.g. Course/Unit, Program of Study or Location).

To combine all timetables selected, press the ‘Merge’ button on the top of the page.

To split the timetables back to display as individual timetables, press the ‘Spilt’ button on the top of the page.
