

# A whole new world: Library and Research Office collaboration in the era of Engagement and Impact

Cheryl Claridge, Team Leader, Research, Learning & Liaison Services  
and  
Katie Donnelly, Project Coordinator, Research Strategy

## Hendy Award 2017

The Hendy Award was established by University Council to support the professional development of the general staff of the University.

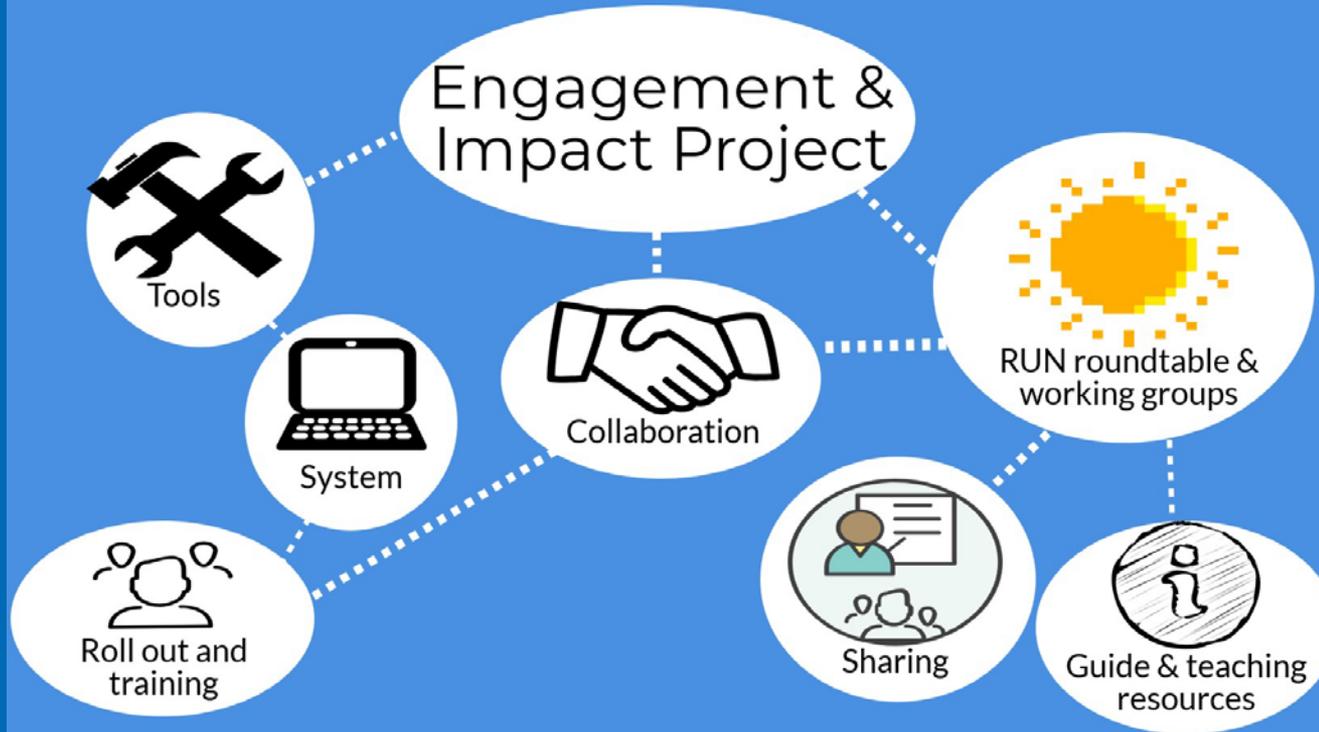

## Objectives

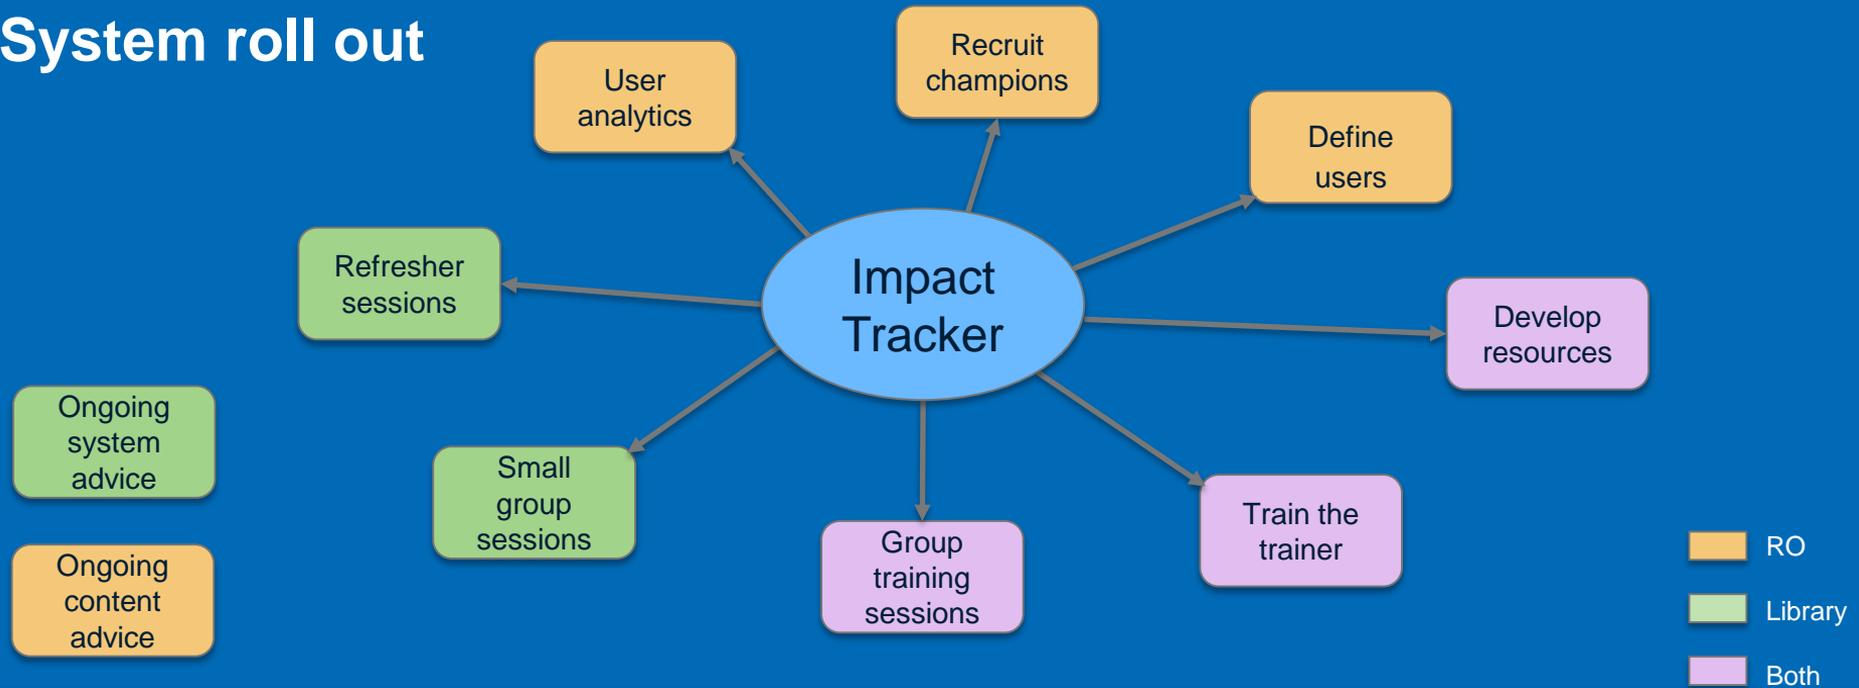

- Promote System for E&I recording and provide training to nominated users
- Identify best practice and establish processes to facilitate E&I reporting
- Create an environment and processes leading to further Library / Research Services collaboration

# Mind the gap

# Outcome 1 System roll out

## Outcome 2

### RUN Roundtable

- Facilitated by FedUni
- Research Office & Library representatives
- Map current collaboration on E&I
- Identify requirements for educating researchers on E&I
- Identify best practice for E&I capture and reporting
- Collaboratively build tools and resources, where appropriate

## Gaps

- Multiple definitions
- Knowledge of E&I
- Knowledge translation skills
- Retrospective nature
- Systems
- Tools to assist researchers
